Management Trainee Program

Airtel Payments Bank

AIRTEL PAYMENTS BANK

We're India's first Payments Bank and we've set out to transform the way banking operates in this country. We believe that with technology driven banking we can achieve our mission of serving the digitally underserved and financially underserved.

We build iconic products and tools harnessing the best of technology that aims to take basic banking services to the doorstep of every Indian.

We're looking for curious, talented and well-informed problem-solvers who can join us on this noble journey of ours and help us move forward. Our mother brand Bharti Airtel is one of the most loved homegrown telecom companies and that's what we strive to do too – enable and empower lives of people across the country.

All the campus hires will join the bank as Management Trainee and will undergo a training for first 14 weeks in Sales, Compliance and Risk team.

MT Journey	
1st Week	Induction
2nd to 7th Weeks	Product Stint
8th to 9th Week	Compliance and Risk Stint (1 Week each)
10th Week	Product Stint Project evaluation and Customer Experience Stint
11th to 14th Week	Sales and Alliance Stint
15th Week Onwards	Destination Role

After that they'll be allotted a role in the following verticals:

- Sales
- **Customer Experience**
- **Corporate Business Alliances**
- Risk
- Compliance
- **Products**
- **Finance**
- Strategy Office

ROLE: Management Trainee: Alliance and Business Development Strategy	**JOB LEVEL**: A
FUNCTION: Alliances & Sales	**LOCATION:** Gurgaon

IN A NUTSHELL

The Bank's Business Development teams are hyper-focused on growing sustainably with flair. They're our pillars and ensure that we're closely aligned to our vision of reaching, 'Every *mile, Every family & Every business*'.

You'll be the bank's version of Harvey Spector, and would get in the revenue by driving alliances.

A DAY IN THE LIFE

- Drive partnerships and execute alliances and distributions in assigned categories
- Identify opportunities by analysing needs of consumer in the segment and proposing new solution partnership thereby improving business results
- Secure external partnerships including contacting top leaders, securing appointments, developing proposals, making presentations and negotiating business deal points to contract completion.
- Ensure complete paper work and documentation required to enter in to an alliance/distribution or develop a client.
- Key Account Management post Client onboarding
- Maintain and nurture relationships with senior leaders at partner companies
- Manage ongoing partner programs and to ensure that all parties are satisfied with progress and outcome of partnerships.

Role: Management Trainee : Product Management Strategy	**JOB LEVEL**: A
FUNCTION: Products & Marketing	**LOCATION:** Gurgaon

IN A NUTSHELL

Being a Product Manager at Airtel Payments Bank, you work on ground-breaking products that will impact lives of millions of people across the country.

Our product managers make note of the overall business objectives and combine them with insight into user problems we are uniquely suited to solve. They're responsible for bringing together engineers, designers, and departments from around the company to ensure that our products are useful, delightful, and timely. And when a product ships, we're the ones popping the cork from the champagne bottle.

A DAY IN THE LIFE

- Here at India's first Payments Bank, we're looking for someone who's customer obsessed, flexible, smart and analytical, strategic yet execution focused and passionate about Banking, experienced, and entrepreneurial leader with a strong work ethic
- Develop long-term product roadmaps, work with key stakeholders.
- Clarify and drive short-term project priorities and commitments, as well as establish and maintain clear chains of project management and accountability
- Identify, analyze and work with tech/program/operational teams to solve customer impacting issues
- Position requires a candidate with the proven ability to drive process/program/product improvements and the ability to keep pace with our explosive growth while motivating others to meet the challenges of an extremely deadline-driven environment
- We are looking for an exceptionally good communicator who has a natural talent for organizing information and making it "make sense" to a wide range of people. The successful candidate will be a strong self-starter, able to figure out what they need to do first, then make it happen despite the ambiguity and competing priorities of the start-up environment. The vocabulary of the successful candidate does not include the words "that's not my job."

JOB TITLE: Management Trainee : Customer Experience Strategy	**JOB LEVEL**: A
FUNCTION: Customer Experience	**LOCATION:** Gurgaon

IN A NUTSHELL

Recognize, grow and implement strategies & plans to achieve business volumes and value targets for domestic remittances. Develop core positioning and messaging for the product suite, along with coordinating the execution and delivery of new products and services through proactive engagement with key stakeholders internally and externally.
