Barclays Overview

Barclays is a British universal bank. We are diversified by business, by different types of customers and clients, and by geography. Our businesses include consumer banking and payments operations around the world, as well as a top-tier, full service, global corporate and investment bank, all of which are supported by our service company which provides technology, operations and functional services across the Group.
We are an equal opportunity employer and we are opposed to discrimination on any grounds.
Dynamic working gives everyone at Barclays the opportunity to integrate professional and personal lives, if you have a need for flexibility then please discuss this with the hiring manager.

About Corporate Banking

Corporate Banking provides integrated banking solutions, specialist advice, products and services to businesses of all sizes, multi-national companies, financial institutions and multinationals in non-UK markets. Corporate Banking Operations (CB Ops) is a global multi-faceted division, comprising of over 3,500 colleagues that partner with all parts of the bank, providing dedicated operations support to clients around the world. CB Ops comprises of different lines of business: Wholesale Lending Operations, Trade and Working Capital Operations, Payments Services, Corporate Client Servicing and Deal Support Team.

Wholesale Lending Operations is made up of - EMEA/US Asset Operations, US/EMEA Facility Capture, US/EMEA Loan Trading and BCRS (Business Control and Readiness Strategy) and Agency Transfer. The Bank is one of the leading players in the loans market globally. The bank lends bilaterally, acts as agent or syndicate lender on a number of large loan arrangement where there is more than one investor and facilitates information sharing between the borrower and investors / syndicate members as well as maintaining the record of investor holdings.This Middle Office function involves Post Sanction Fulfilment which includes Preparing Facility and Security Documentation, Ordering and Evaluation Property Valuations, granting Fit to Lend Checks & Approvals, Drawing down the loan & Limit Marking, Registering and Perfecting Charge on the Collateral, Providing complete Life-Cycle Management and Servicing of the Loan, Collateral Release and Maintenance etc. The team supports mid and Large Corporate clients in the UK. This function has very high degree of interaction with a various Internal and External stakeholders (Solicitors, Valuers, Relationship Directors, Relationship Managers, Business Product Support, Service Management, Project Steering Groups, Operations Risk, and Technology, Legal etc. as they support a very wide array of standard & complex lending products.

Trade Finance products help customers either by the bank handling documentation related to the transaction, providing finance or guaranteeing payments. On a daily basis, transaction requests are submitted for Bonds, Guarantees & Indemnities, Letters of Credit, Collections, Trade Loans and other loan based products.The BGSC team is involved in handling all such request within agreed SLA. Providing expert banking solutions to the customers, to make banking far easier, and help Barclays become “The Go TO Bank” as a part of our daily job. Major process like Letter of credit Issuance, Advising, Document Checking, Payments, Guarantee Issuance

Global Payments Processing (GPP) provides payment processing services across the breadth of the Barclays franchise. We serve more than 100,000 clients and process more than seven million payments with a value in excess of £476 billion each day. With over 1,000 colleagues in ten cities, we have a wonderfully diverse team, a deep understanding of our business and a desire to serve our clients brilliantly. Our operating philosophy is as simple as it is challenging: Processing 'Today's Work Today'.

Corporate Client Servicing involves day to day servicing of accounts for a wide range of Corporate Banking clients. This team supports clients and colleague across Barclays International with account maintenance, payment queries and internal client maintenance.

Deal Support Team (DST) was setup in May 2008 with an objective to provide support to the Corporate Banking origination teams through research and analysis. It provide end to end support in the deal value chain, right from prospect generation to pitchbook and engagement books to support initial client meeting or annual discussions with the existing customers.
