People Business Partner

Gurgaon, India

Better is redefining homeownership and making it simpler, faster—and most importantly—more accessible for everyone. We leverage technology and expertise to find ways that we can make the home buying journey more approachable and understandable.

- Right now, we are funding over $1.5 billion in home loans per month
- We have funded over $14 billion in loans and $3.5 billion in insurance
- We ranked #11 on Fortune's Best Places to Work in Financial Services 2020
- Our Founder and CEO was named in Comparably Top 25 CEOs for Diversity
- We were listed to Forbes' FinTech 50 2020
- And #15 on the 2020 CNBC Disruptor 50
- We have secured over $254 million from our investors to date

Our company is made up of driven, passionate people who bring their unique backgrounds and perspectives to everything we do, and we are committed to fostering diversity, multiculturalism, and inclusion. We see the perspectives that each person brings and a diverse workforce as essential for individual and collective success. We believe it's important to foster a company culture that encourages curiosity and passion—from employee resource groups and learning opportunities to team outings and community outreach.

The Better mission is rooted in values that drive us.

A Better opportunity:

Better.com is growing and we're looking for an People Business Partner to join our People team. If you're looking to make an impact alongside a collaborative team that's transforming the homeownership industry, check us out.

Our People Business Partner work to build, iterate and execute on our people management processes, aligned with curating an environment where our people have the tools and resources they need to add value.

Responsibilities will include:

- Employee interactions
    - Consistent check-in points (45, 90, 6 months, 1 year, exit, etc)
    - Pulse checks with ICs, Manager, Leaders
    - Providing leaders regular updates on how their team is doing
    - Provide Employee Relations support, thought partnership, and coaching for employees and management

- Deployment of programs (examples below)
    - Onboarding success and integration
    - Working with leaders to identify high potential employees

- Fostering a real-time and continuous feedback environment
- Holding leaders and managers accountable to managing performance
- Executing promotions and internal transfers

About You:

We are looking for someone who puts people first, working in the best interest of both our employees and the company. This person should have a strong understanding of people guidelines and can navigate situations thoughtfully and effectively.

- 0 to 2 years of experience in an Employee Relations, People Partner or equivalent role
- Hands on with data, analysis and PPT
- Demonstrated experience providing solid judgment and experience assisting risk relative to the business
- Excellent written/verbal communication and creative problem-solving skills
- Demonstrates empathy and experience driving inclusive results in their work
- Energized by a constantly changing environment
- Integrity and strong emotional intelligence. Leads with empathy and intuition.
- Ability to cultivate relationships and build rapport quickly across teams
- Experience using data to identify insights that drive action
