CENTRE FOR APPLIED RESEARCH AND PEOPLE'S ENGAGEMENT

Job Title	Assistant Program Manager - SWM
Reports to	Program Manager - SWM
Location	Aurangabad

About CARPE

The Centre for Applied Research and People's Engagement, (CARPE) is a Not-for-Profit Company working in diverse sectors and geographies (solid waste management, green cover management and waste water management), offering path- breaking solutions.

The organization is growing rapidly across territories, with an expanding network of clients and Partners. We have worked in 14 Urban Local Bodies in India and internationally, including in Buenos Aires in Argentina and Denpasar in Indonesia.

Job Summary:

CARPE is seeking the expertise and experience of a Program Manager to deploy its Solid Waste Management services. CARPE has a first mover advantage in this sector. CARPE has worked in 12 Urban Local Bodies in Maharashtra and 2 cities internationally.

This role requires a high performing individual with experience in a managerial position, who is confident of handling a business vertical that is growing multifold year on-year. We seek a candidate who can work in a dynamic environment with the ability to manage multiple stakeholders including government officials, corporate bodies & industry leaders, is capable of handling a diverse team and most importantly has a keen interest in Solid Waste Management. Prior experience of working in the sector is an added advantage.
