Career Launcher is looking forward to hiring an analytical and creative management trainee for its digital marketing team. If you are someone who is not scared by numbers and data, this might be the role for you. Bloggers and wannabe social media influencers are also welcome.

Responsibilities

- Plan and execute all digital marketing, including SEO/SEM, email, social media, and display advertising campaigns
- Evaluate emerging technologies and enthusiastic towards applying them in your line of work
- Design, build and maintain our social media presence
- Maintain Company Website Traffic & Conversion

Requirements

- Highly creative in identifying target audiences and devising digital campaigns that engage, inform and motivate
- Strong analytical skills and data-driven thinking
- Likes to stay updated with the latest trends and best practices in online marketing and measurement
- Excellent writing and communication skills
- Enthusiastic to learn and grow with a hands on approach towards work
- Strong preference for candidates with Google Ads, Analytics and Facebook Blueprint certification. Any other relevant certifications from the digital marketing field are also welcome.
