Clover
ORGANIC PVT. LTD.

Job Description

About Clover Organic

Clover was set up in the year 2008 to create a transformation in the field of organic agriculture, organic aquaculture and waste management by creating sustainable value chains. We have set up a state of the art factory in Dehradun to produce advanced organic inputs for all our verticals.
We work with the Government, NGO and the private sector for delivering the aforesaid products and solutions. We are currently engaged in organic production in about 40,000+ acres of land.

Our Purpose

Enabling sustainable prosperity for the value chain by utilising nature's wisdom, implemented through fruitful partnerships.

Our Values

Purposeful – **I**nclusive – **N**urture – **E**mbrace

The Role

This is a mid-level role, reporting to the CEO. Accordingly, the purpose and key expectations would be as follows:

Purpose: To develop & execute impactful communication strategies resulting in awareness, respect & acceptance for the organization amongst external & internal stakeholders.

The Key Expectations of the Role

- Using innovative story telling techniques to drive business outcomes.
- Coordination with stakeholders to mine insights & translate them into communication strategy and compelling creative executions; delivering the WOW factor.
- Identify & maintain a credible network of PR & event management agencies, media partners, digital marketing agencies etc.
- Own & manage Company assets like websites, social media accounts & marketing collaterals.
- Identify gaps for key focus segments and create appropriate content pieces such as brand & technical videos, application & product overview videos, literatures, and so on.
- Contribute to organizational culture building initiatives by creating vibrant & meaningful internal communication systems.
