JOB DESCRIPTION - 1

Sr Executive - Mumbai
Communication Design, Godrej Industries Limited

Location: Mumbai, India
Job Type: Full-time, Hybrid

We are looking for someone passionate and driven, to create and manage engaging, authentic content across various platforms, including external communications such as company LinkedIn pages, websites and leadership messaging, and internal communications such as emailers and social media platforms.

Read on, if this sounds interesting!

Godrej Industries Limited

Godrej Industries is a holding company of the Godrej Group. We have significant interests in consumer goods, real estate, agriculture, chemicals and financial services through our subsidiary and associate companies, across 18 countries.

Communication Design team

Our Communication Design team members love people, brands and design. Together, they are helping make our corporate and employer brand more relevant and engaging. Think of the team as an in-house creative agency of sorts with graphic designers, copy editors and PR folk, who craft content in various forms for use across online and offline messaging platforms.

What impact will you create?

Key Responsibilities

1. Content generation and management for web platforms and LinkedIn
- Create, share and track communications across various online platforms such as LinkedIn and websites
- Create/source and update topical content across the Godrej Consumer Products global corporate websites
- Monitor and improve analytics on websites and LinkedIn

2. Content generation for key internal communication platforms

- Develop communication pieces such as newsletters and mailers to drive key strategic messages and engagement

3. Support on leadership communication

- Collaborate with different internal and external stakeholders to develop content

Who will you partner with?

Why Godrej? Among the many reasons we could offer you, the passionate, purposeful people you get to partner with, tops our list.

Your team

- You will have the opportunity to partner with and learn from talented graphics designers, copy editors and communication specialists

Other partners

- Internal: Marketing, HR team members
- External: Web development vendors, editors, creative agency partners, etc.

Who are we looking for?

Key Skills

- A creative thinker
- Excellent written and spoken communication skills

Education

- A degree in Communications will be preferred

Experience

- 2+ years of experience in developing content across different media, both print and digital
- Experience in editing long form written content

Our People Philosophy

Tough Love is at the heart of our People Philosophy. We expect a lot from our team members, differentiate on the basis of performance and potential through career opportunities and rewards and lay particular emphasis on developing, mentoring and training. We believe that passionate, rounded individuals with diverse interests make for better Godrejites. And we understand that our team members play multi-faceted roles. This is why we encourage them, not just to explore their Whole Selves, but also create an enabling

space for them to do so. Read about our people philosophy and don't forget to watch one of our favourite videos.

An inclusive Godrej

Diversity is the philosophy of who we are as a company. And has been for over a century. It's not just nice to do. It makes great business sense. Being more diverse - especially having our team members reflect the diversity of our businesses and communities - helps us innovate better and grow faster. Read about our diversity philosophy.

If this sounds like a role for you, apply now!
We look forward to meeting you.
