Role: Associate, Learner Support

Location: Okhla, Delhi

About us:
Harappa is an online learning institution that builds competencies to liberate people's potential in their chosen line of work. Our unique curriculum is designed around foundational skills critical to achieve professional success and personal meaning.

Our pedagogical approach is rooted in academic research, expert insights, and behavior sciences. Our high-impact courses and programs are relevant across jobs, industries, and functions, and are well-mapped to the demands of the modern workplace.
We are excited to offer this distinctive experience, at the intersection of learning, technology, and timeless skills.

Engagement & Customer Success Team

The Engagement & Customer Success team leads the Harappa off-platform experience end-to-end, for program execution from live sessions (through internal coordination), to drive completions for online courses. Our focus is to give our learners the right information at the right time in support of their learning journey and work with the client SPOC to provide the right information.

Role

- Maintaining a positive, empathetic and professional attitude toward users/learners at all times
- Handle learner complaints, provide appropriate solutions and alternatives within the time limits; follow up to ensure resolution.
- Processing and logging information into a CRM system along with resolving inquiries
- Attending training sessions to grow knowledge of the psychology of online learning and to develop customer service skills.
- Follow communication procedures, guidelines, and policies
- Identifying customer needs through analytics
- Forwarding and escalating inquiries to relevant individuals and departments
- Assisting faculty in delivering live sessions

Requirement

- Bachelor's degree in English and/or psychology is preferred
- Ability to multitask, prioritize and manage time effectively
- Fresher or up to 1 year of customer service experience
- Proficient computer skills and with MS Office suites
- Experience with online learning preferred
- Outstanding communication skills, both verbal and written
- Strong people skills
- Customer orientation and ability to adapt/respond to different types of communication from people
- Experience of working on CRM
- Situational Awareness
