About Inventure Academy

Inventure Academy, a Pre K – Grade 12 International School, established in 2005, located on Whitefield-Sarjapur Road, has always believed in kindling and nurturing curiosity in the minds of its learners. Staying true to its Core Purpose - "to instil in students the ability and conviction to realise their full potential, be socially responsible citizens, and excel anywhere in the world" - has helped the school to rank #1 in Karnataka and in the Top 3 schools in India in the Co-Ed Day schools category of the EducationWorld C-Fore Survey 2020. The happiest school sparks passion amidst young Inventurers to swim upstream and bring about change in their own spheres of influence, thus enabling them to become positive change makers and contributors to society.

Inventure is a fully accredited and independent international school and is affiliated to the Cambridge Assessment International Education (CAIE), the Council for the Indian School Certificate Examinations (CISCE) and the Round Square worldwide network of schools. Its unique curriculum, which equips children with 21st Century life skills, is focused on the holistic development of children, with the expectation that each child will flourish in academics and beyond academics.

Who are we looking for?

We are seeking an eager, motivated **Management Trainee** to join our team of educators at Bangalore. In this position, you will be given an unique opportunity to gain knowledge and experience across various functions involved in the smooth operation of an International school, under direction of experienced, passionate educators and leaders. The ideal candidate will be open to learning new things, not afraid to take chances, and interested in learning across every function of the school.

What are we looking for in the prospective Management Trainee?

Given below are the attitude and skills required to succeed in the role

- Minimum of Bachelor's degree in any field. Masters and B.Ed is preferred. (Project Management / Research Methodology experience is an added advantage)
- Strong research, analytical and creative problem solving skills required, including a thorough understanding of how to analyze and interpret quantitative and qualitative information with a

realistic and commercial understanding of issues and to translate them into clear, insightful and easily understood conclusions, recommendations and presentations.
- Ability to interact effectively with a wide range of staff throughout the school
- Excellent verbal and written communication skills and ability to interact professionally with a diverse group of school and third party executives, managers, and subject matter experts.
- Strong presentation skills, reliability, self-motivation, attention to detail.
- Knowledge of MS Excel, Powerpoint, Word and Google suite (Education based applications)
- Willingness to roll up sleeves and work hard as and when required

What do we expect you to do? (Macro view)

The Management Trainee's objective is to support the efforts of the school leadership in delivering best quality of education to our students while mitigating all risks by active and direct involvement in the school's operations after quantitatively and qualitatively evaluating and understanding current and prospective offerings, market segments including appropriate financial analysis, competitive position, company and market review.

The Management Trainee will also be responsible for maintaining processes, tools and databases to facilitate the realization of these objectives.

Our investment in you!

- An Onboarding that covers comprehensive training and duties in several departments such as finance, human resources, marketing, community relations, strategic initiatives and IT.

- Help you to quickly integrate into the team while internalising the IA way of working, beliefs and values.

Your responsibilities (micro view)

- Diligently complete the practical training and perform duties in several departments such as finance, human resources, marketing, community relations, strategic initiatives and IT in the stipulated time frame.
- Learn various staff functions, including operations, management viewpoints, and company policies and practices affecting each phase of business.
- Work on key projects across the school which could involve liaising with external organizations / Government bodies too.
- Work on diverse and various operational and analytics responsibilities.

- We will intentionally assign multiple projects from one or more functions to help train the Management Trainee to properly manage multiple assignments and perfect priority assessment and management skills. In such capacities, the Management Trainee will interact with both executives and faculty and other administrative staff.
- Management Trainee's work and project assignments will be substantive and intended to give him/her an opportunity to make meaningful contributions.
- Conduct primary and secondary research to identify, evaluate, develop and present trends, data, analyses and other relevant information on a variety of topics.
- Work on and suggest new marketing campaigns.
- Report on the progress of mutually agreed objectives on the different projects.
- Observe experienced workers to acquire knowledge of methods, procedures, and standards required for performance of departmental duties.
- Train in functions and operations of related departments to facilitate subsequent transferability between departments and provide greater promotional opportunities.
- Provide support as needed in the various departments, including reporting, data-entry, presentation creation, strategic planning, customer service as needed.

Your future with us

Upon review of your performance quarterly and at the completion of one successful year, based on the opportunities available within the various functions, you will be offered a role to support operational and strategic initiatives within the function. Your title and compensation would align with the role and function that you would be assigned to post completion of the Management Trainee period.

Expected start date of work

Early 2022

Current and near future working norms

We are working offline four days a week and we expect the Management Trainee to work from the school campus along with Team Inventure. Work timings offline or online is 8 am to 4.30 pm. Some Saturdays are working Saturdays which end at 2 pm.

Please note that relocation assistance would not be provided.
