JOB DESCRIPTION: BUSINESS ANALYST

WHAT WE DO?

KarmaLife (Onionlife Private Limited) is a financial solution that addresses the unmet liquidity needs of India's gig and contract workforce. KarmaLife captures real-time data associated with work and financial transactions, and applies machine learning & AI to viably provide relevant, affordable and easy-to-use financial services, including credit, savings and insurance. KarmaLife partners with employers and aggregators of blue collar workers to package these services as financial wellness benefits that in turn enhance worker productivity and retention.

WHAT YOU WILL DO?

We're looking for smart go-getters to join our Business team to assume the following responsibilities:

- Draft decks, proposals and strategic communication for new partnerships
- Track, analyse and report data and funnel analysis related to partners
- Craft blogs, success stories, partner/user case studies and other content marketing materials
- Manage existing partners accounts and drive customer success outcomes
- Build cross-functional partnerships to drive outcomes, internally and externally
- Maintain competitive market knowledge and research on sectors, companies and their workforce segments where solutions can be deployed

WHO WE ARE LOOKING FOR?

We are looking for interested, motivated candidates who share our vision of building inclusive FinTech for India's fast-growing gig economy.

An ideal candidate would have the following qualifications and skills:

- Bachelor's degree or equivalent experience. MBA / Masters is a plus.
- Fluency in Microsoft Office suite (Outlook, Excel, Word, PowerPoint, etc.)
- Strong written, verbal, collaboration skills
- Analytical and data-driven mindset
- Strategic problem solver with strong execution bias

Given our pan-India scale of operations, regional language fluency would be a plus.

Location: Flexible, but Bangalore or NCR preferred

We offer competitive compensation (INR 8 lacs+), unparalleled growth & learning, and the upside of an early stage company.
