What is LBB?

We are India's largest platform to discover and shop from independent brands and retailers. In a short period of time, we've scaled to amass an audience of over 4.5 million monthly active users and have over 100,000 businesses listed on our web and app platform. Our word of mouth-driven marketing and customer evangelism has made us one of the strongest consumer-tech plays in India. Behind all those great recommendations and products is a team that puts consumers and customers at the heart of their work. We believe in collective success, individual accountability and in delivering results. We've raised USD 7 Million from stalwart investors like Inventus India, Blume Ventures, Chiratae Ventures & Rajan Anandan to name a few.

Our Core Values:

· Take Initiative
