Content Writer JD (PT/FT)

About us:

At Magma Consultancy, we write long-form pieces for the world's most exciting companies.

We work with companies across Europe and America, helping them grow through the power of quality content. Our clients include companies like Airbnb, Upwork, and Tag WW.

Responsibilities:

- Research industry-related topics
- Write a well-researched and structured blog post
- Submit work to editors for input and approval
- Conduct simple keyword research and use SEO guidelines to increase web traffic
- Ensure all-round consistency (style, fonts, images, and tone)

Requirements:

- Decent understanding and a strong interest in business, tech, and finance
- Proven work experience as a Content Writer or similar role
- Portfolio of published articles
- Excellent writing and editing skills in English
- Ability to meet deadlines

Compensation for a full-time role starts at Rs.8 LPA.
