Business Development Executive

MaxedS is a revenue accelerator for early-stage technology companies. Its aim is to help tech startup founders drive revenue acceleration and provide advisor services on go-to-market strategy and expansion in the global marketplace.

PRIMARY RESPONSIBILITIES:

- The Business Development team is principally responsible for bringing revenue and expanding business opportunities that allow the organization to achieve and sustain its mission
- Conduct detailed Research and Analysis of prospecting accounts
- Gather the latest insights and strategic imperatives on the prospecting companies and create a contextualized pitch for go-to-market
- Align MaxedS client's services/business solutions to potential business opportunities through needs analysis
- Contacting potential clients via email, social media platforms or calls to establish rapport and set up meetings

REQUIRED SKILLS:

- Excellent oral and written communication skills, with the ability to communicate information in a clear and concise manner
- Strong interpersonal skills, including the demonstrated ability to work effectively with members of organizational boards, colleagues, business partners, prospects and community stakeholders
- Highly self-motivated and adaptable with the drive to self-improve and exceed goals

PERKS AND BENEFITS:

- Exposure to various industries and a chance to work directly with the company's founder and senior leadership
- A high-growth environment where you'll have plenty of chances to learn, grow, and shape your role
- Flexible work times, expectations are to respect the timelines of assigned deliverables

LOCATION: Work From Home
