ABOUT US

Reachivy.com is a premium education and careers advisory that helps aspiring students get accepted into Ivy League and other top schools globally and reach their career aspirations through personal mentoring, online services and a wealth of knowledge accumulated over years of experience.

SERVICES

Counselling

Our personalized counselling sessions are designed for applicants who want to stay ahead of the curve. Starting as early as 4 years before you apply, we mentor you and create achievable benchmarks for you.

Résumé Review

A clear and succinct résumé should provide a comprehensive overview of an individual. Allow us to help you redefine yourself, at least on paper.

Career Guidance

We offer Career counseling, career tests and many other career related services to help you choose the right path. Our career tests are intuitive. They are quantified using scientific methods.

Life Skills Coaching

Craft your vision and set goals across various areas of your life. The goal setting workshop will help you determine your strengths and understand how to leverage them.

Essay Editing

Your college application must distinguish you from the crowd. Our comprehensive service includes defining your positioning strategy, brainstorming essay topics, preparing outlines and extensive editing.

Test Prep

Ace your standardized tests and build a winning application. Avail our test prep services and prove your academic prowess.

College Selection

We help you determine which institutions best suits your interests, choice of major and geographical preferences, and shortlist colleges that match your needs and disposition.

Mock Interviews

The interview is the last bridge you need to cross before gaining acceptance at a top school. We will provide detailed feedback on content, impact and areas of improvement.

STUDENT TESTIMONIALS

Vaibhav Gupta - MBA, Harvard Business School

"With its tremendous network of colleagues and friends in various top schools, ReachIvy was able to give me a 360 degree perspective of what qualities leading B-Schools are looking for. I highly recommend ReachIvy for its professional and personal approach towards applicants."

Anjali Mittal - Ph.D, Johns Hopkins University

"ReachIvy helped me present myself in the most befitting manner by guiding me through all aspects of my application. The brainstorming session with ReachIvy counsellor uncovered essay pointers I would have missed if I had done them on my own. The feedback from editors was highly useful. I cannot thank the team enough for all their help."

Akash Mayur - Master's, ESADE

"The ReachIvy expert was amazing with planning out strategies to tackle the essay questions. What stood out was, the ease of working with the team as they were there almost anytime I needed assistance. I would definitely recommend ReachIvy for anyone who wants to reduce their stress of dealing with applications and build a great profile for business schools. "

Kareena Aswani - Undergraduate, Warwick University

"My experience with ReachIvy was absolutely amazing. The team has extremely qualified counselors for each part of the process, from the college selection to the brainstorming session. They guide you from the beginning to the end. The sessions allowed me to discover a new side of myself and overall the experience enabled me to apply to my dream universities. I strongly recommend ReachIvy to anyone who wants to discover and chase their dreams."
