UNIQLO INDIA IS HIRING!

UNIQLO MANAGER CANDIDATE (UMC) 2022

FUTURE GLOBAL LEADER

Opportunity to begin a career in a global company

2312 Stores, 25 countries

Grow with Us – Career Development / Training:

UNIQLO Manager Candidate Program (UMC Program) will prepare you to take on many roles as an innovator, a talent developer, a problem solver, and above all, a BUSINESS LEADER.

As part of this program, you will join a group of passionate peers and undertake a training program designed to build the skills you will need and give you the experience necessary to become an effective **Store Manager** to be able to run a business generating millions in sales and in future as **Business leader**.

After joining UNIQLO INDIA, you will get an extensive training for 6 months in Store after which you will be assigned to Store operations in Pan INDIA for existing or new stores. The company is committed to helping you improve your skills and knowledge so that you can eventually seek promotion to **Store Manager and in future in other departments and as Business Leader**.

Those who attain all skills and experience as a first step successful **Store Manager in India** will be eligible to have other functional role or later transfer to other overseas branches or headquarters in Tokyo.

This opportunity opens the door for you to begin a global career.

https://www.fastretailing.com/employment/en/uniqlo/

Your Roles:

➢ **Become a Business Leader**
Your responsibilities will include motivating, developing and managing a team of more than 100 members.

➢ **Develop a Global Perspective**
You will have the chance to thrive in an international work environment and immerse yourself in new and exciting cultural experiences.

➢ **Join a Rapidly Growing Global Company**
You can help drive our global business to reach the corporate goal of becoming the world's #1 apparel retailer.

➢ **Change the World**
Promote our corporate mission to influence and improve society through our unique clothing and sustainability initiatives. After the training program, you will guide a team of high-caliber individuals toward creating meaningful changes in the lives of our customers.

Job Requirements:

1. Masters/Post Graduate Degree/Fashion Degree from Top Management/B-schools (or)
2. Post- Graduate with Minimum of 2 years of continuous work experience as Team/ Department leader in Retail preferably Apparel/ Fashion global brand experience
