WHY WORK WITH US

Who we are: University Living is a global student housing marketplace that helps international students find the best place to stay near university campuses around the world. Currently, the platform offers 1 Mn beds in 15K properties across 203 international education hubs in the UK, USA, Canada, Europe, Australia, New Zealand, Singapore, South Korea, and UAE. Students can consult a 24/7 support team of accommodation experts to discover, compare and book value-for money accommodation based on their budget, desired location, and other personal preferences. All properties featured on the website have been verified either by us or our partners to ensure a 100% safe student living experience.

University Living isn't just our very own collaborative space for our professional aspirations, it's also our second home where we achieve our dreams together!! A shout-out to all aspirants who live and breathe dreams and want to work with like-minded people, have fun while working and be passionate about work at the same time. Join us with a bonhomie and an entrepreneurial spirit. We are proud to offer the following add-ons apart from a great career path as we grow with a 300 times speed (literally):
