Detailed Instructions

Online Application (1st stage)

- Interested candidates to apply directly on our career site via the job link shared with the placement cell.
- Submitting the application should not take more than 3-4 minutes including uploading the Resume/CV and Cover Letter.
- Resume/CV should be vetted by the placement cell (if possible) before they have been submitted.
- Cover Letter should be addressed to *"Willis Towers Watson Early Careers Recruitment Team, India"*

Saville Assessment (2nd stage)

- All the candidates who clear the online application stage will receive an aptitude test assessment link from Saville.
- This test will focus on verbal reasoning, numerical reasoning and abstract reasoning.
- Total time required to complete the test is 18 minutes – 6 minutes for each of the sections.
- Candidates will also have an opportunity to practice the test before attempting the actual test.
- All the instructions will be shared via email for this round and candidates should read them thoroughly.
- There is no negative marking.

HireVue On-Demand Video Interview (3rd stage)

- All the candidates who clear the Saville Assessment test will receive the link to complete the On-Demand video interview from HireVue.
- This round will be a recorded video interview round wherein candidates will have to record their answers to the questions which they would receive while accessing the interview invite.
- Approximate time required to complete the video interview will be 10-12 minutes.
- The questions will be general, and candidates will have an opportunity to practice the video interview before attempting the actual interview.
- All the instructions will be shared via email for this round and candidates should read them thoroughly.

Details Instructions - Continued

Offer Extension, Background Verification Check and On-boarding

- Candidates clearing the final interview round will be offered as per the salary communicated to the placement cell.
- Candidates will be receiving a call from Willis Towers Watson representative informing them about their selection and offer details (verbal offer) will be shared with them accordingly.
- Upon acceptance of the verbal offer, the candidates will be receiving an offer letter along with a list of documents which they will have to submit via email.
- Once the candidate signs the offer letter, their background verification check and on-boarding process will be initiated.
- A Willis Towers Watson representative will be connecting with the candidates to explain them about background verification check process and on-boarding process.
- It is mandatory for the offered candidates to complete their background checks and on-boarding process in order to join Willis Towers Watson.
- The tentative date of joining will be June 1st, 2022, and this will be confirmed to all the candidates in advance.
- Closer to the joining date, all the candidates will be receiving the details about their joining from Willis Towers Watson team.

Other important points

- During the entire selection process, candidates should contact their respective placement cells for any queries and concerns which then will be communicated to Willis Towers Watson Early Careers Recruitment Team.
- Majority of the communication between Willis Towers Watson team, placement cell and the candidates will take place through emails.
- This hiring process will be run on a pan India level, hence, there is no fixed timeline to complete the process.
- While organizing the interviews, factors like festivals, college / university examination etc. will be considered in order to ensure that candidates do not face any challenge.
