wooqer | APP *for* OPS

Talent Acquisition Specialist

Wooqer is on a mission to create a SuperApp for Operations where business users can create, find, and discover virtually any app that makes them deliver better results everyday. By enabling users to act fast, make data driven everyday decisions and a wide selection of industry/cross industry best practices, Wooqer is emerging as the go to business platform.

As a Talent Acquisition Specialist, you will be working closely with all teams and help them source, identify, screen, and hire individuals for various roles in Wooqer.

Role Description:

- Coordinate with hiring managers to identify staffing needs in different areas and departments with special focus on Sales hiring
- Evaluating company products and services towards creating an accurate salesperson profile
- Determine selection criteria for candidates by liaising with managers and other members of staff
- Source applicants through research vide various channels, such as LinkedIn and other professional networks
- Create job descriptions and interview questions that reflect the requirements for each position
- Identify and refine down the most suitable talent from available candidates
- Plan interview and selection procedures, including screening calls, assessments, and in-person interviews – if possible
- Keep records of all materials used for recruitment, including interview notes and related paperwork, to share with key stakeholders.

Skills and Qualifications

- Diverse work experience in talent acquisition role
- Familiarity with social media, C.V. databases, and professional networks and ability to research
- Experience with full-cycle recruiting, using various interview techniques and evaluation methods
- Experience in using platforms like LinkedIn, IIMJobs, Insta hire, organic search, etc to proactively source candidates
- A keen understanding of the requirements for each role in the company
- Proficiency in documenting processes and keeping up with industry trends
- Excellent interpersonal and communication skills
- Ability to pitch Wooqer's pitch and generate interest in the candidates

Preferred Qualifications

- Master's Degree in Human Resources Management, or similar
- 2-3 years of experience as a Talent Acquisition Specialist, or similar (preferably in Sales Hiring).

About Wooqer

Our Journey

Wooqer is a one of its kind journey where profitability comes first. With customers who genuinely get value from the product and are willing to pay for it, scale is a natural next step. And that's the next phase of the Wooqer journey. We are preparing for growth.

The already available Creator tools that users love to use and the hundreds of apps users have self created on the Wooqer Super App form the foundation for our growth. Global expansion, New selling methodologies, Marketing focus and a B2B apps marketplace shall make it happen.

At Wooqer, Intelligence is hygiene and Execution capability a necessity. We build things right and blow customer expectations away, every single time. We chase crazy big goals, take full ownership, deliver excellence and celebrate our successes. We pay attention to detail and are right..most times as we simplify work for self and users. We are building the future. Today. And last but not the least, we are frugal. After all, we are still building a profitable company.
