

Associate Teacher at iTeach Schools

Overview

iTeach Schools is a fast-growing Teach For India alumni-led startup, focussed on providing a free, foundational, and excellent education to secondary students. Founded in 2015, we now operate nine schools from Grades V to X across Pune, in collaboration with Pune Municipal Corporation. (read about our 6 year Journey here!).

Our students hail from Pune's most under-resourced households. The secondary grades are the last laps of intervention for our students, and probably the only real chance we have left to level the playing field between them and their high-income peers.

Currently, in our seventh year, we serve 2000 students and 1350 student alumni through a strong team of nearly 170 staff members. In 2022-23 we're looking for entrepreneurial individuals who will join us as we increase our impact to 2000 students and 1350 alumni.

Key Responsibilities:

A teacher at iTeach Schools wears multiple hats to ensure an excellent education for their students. The three different parts of the role are:

A - Teaching your subject (60% time)

- Use existing resources and design innovative Annual Plans, Unit Plans and Lesson Plans
- Teach one or two subjects of your expertise to your class (about 30 students in each class)
- Conduct regular tests and assessments to monitor learning and give feedback to students
- Build a positive and strong school culture, with a focus on learning and joy
- Collaborate with parents of the students through regular meetings to create a positive learning environment

B - Mentoring students (20% time)

- Mentor nearly 15-20 students throughout the year
- Develop ways to ensure that these students have strong study habits, high attendance and the drive to excel - share these plans with all teachers across the ecosystem
- Mentor students to identify a best-fit career after Grade X

C - Leading projects in school (20% time)

- Work with the School Principal and Vice Principal to lead multiple projects essential to student learning (based on your talents) such as Annual Day, Sports Day, Hobby Clubs, etc
- Use these opportunities to strengthen your leadership skills, and mentor new teachers

Education & Experience:

- Required: Bachelor’s Degree with strong academic and holistic performance
- Preferred: B Ed Degree
- Preferred: Teaching experience in a secondary grade for 1-2 years

Location: Pune

Application: Send your CV to recruitment@iTeachSchools.org
