leap.club - come, build a company with us

leap.club is a community-led professional network for women with a simple mission - more women in leadership positions. our platform is community first, which enables women to interact and network in a safe space.

2500+ strong community and growing, our members are spread across 12 countries representing the top talent from companies such as google, michael page, amazon, cred, paytm-insider, disney, unilever and more.

we are backed by top angels and funds in india (Enzia Ventures, FirstCheque, Titan Capital, Kunal Shah, Whiteboard Capital to name a few) and just closed our pre-series a round of financing. our journey has been covered by some of the leading publications.

we are an early stage startup with speed to execution our biggest moat. our founding team members have previously built companies like zomato, uber, linkedin, byju's, facebook

what we value:

- 100% ownership and discipline
- founder's mindset & a lot of self motivation
- hustlers with first principle thinking
- dreamers who would build with us the next multi-unicorn
