Organisation: A.P.Centre for Financial Systems & Services (APCFSS), Government of Andhra Pradesh

Location: Vijayawada, A.P.

Designation: Young Professional

No. of Positions: 03

Type & Period of engagement: Contractual, 1 Year, extendable based on performance

Remuneration: Consolidated pay of Rs. 50,000/- per month

1. About APCFSS:

Andhra Pradesh Centre for Financial Systems and Services (APCFSS) was set up by Government of Andhra Pradesh (GoAP) as a Section 8, not-for-profit company in 2016. APCFSS has developed and manages the Comprehensive Financial Management System (CFMS), a Government-wide enterprise suite, for management of various aspects of Public Finances of the State of Andhra Pradesh, including budget formulation, tax & non-tax receipts, cash & debt management, expenditure (scheme, non-scheme, salaries etc.), social benefits delivery, assets etc. Developed leveraging latest tools from SAP, CFMS covers the financial transactions of all Departments of the GoAP. A dedicated team of officers drawn from the Government and SAP constitute the CFMS Wing of APCFSS.

Besides CFMS, APCFSS designs, develops and maintains mission-critical e/m Governance Solutions (Web & Mobile) for various flagship schemes and programmes of the Government. The key applications developed by APCFSS include: (a) Jnanabhumi Portal, for disbursement of pre and post matric scholarships worth over Rs.3,500 Crore per annum to over 16 lakh students in the State, (b) Suite for Higher Education, for online academic and administrative process, covering 16 Universities in the State, (c) Housing Portal, for beneficiary registration, sanction, fund disbursement & material management, covering 40 lakh beneficiaries, (d) Navaratnalu, covering 9 flagship programmes of the Government, overseen by the Chief Ministers Office, (e) A.P.State Budget Portal etc. The e/m Governance applications are designed, developed and maintained by the e-Gov. Wing of APCFSS.

In addition, the Governance Consulting Wing of APCFSS works closely with Secretaries & Commissioners of various Departments and with the CEO, APCFSS in improving governance and public service delivery. In doing so, the wing is to carry out a wide range of interventions in the areas of public policy formulation & analysis, public systems reform, evaluations, surveys, project management, process re-engineering, business analysis for IT Applications, best practice documentation, Bid document preparation & bid management for Public Procurement etc. The wing also works on streamlining internal business processes of various Departments through a variety of structural & personnel restructuring exercises.

APCFSS is looking for highly dynamic & energetic professionals to work with the Secretaries to the Government and CEO, APCFSS in high impact roles in the Government of Andhra Pradesh.

Applications are invited for the position of 'Consultant/Sr. Consultant'. The position is contractual and the period of engagement is 1 year, which may be extended based on performance.
