Associate - Govt and NGO Partnerships

Location: Mumbai

About the Organization:

Since 2013, Antarang Foundation has been one of the leading voices in bringing employability and career development into the mainstream education narrative. We believe that education which does not lead to social and economic progress is incomplete – and hence employability and aspirational careers need to be accessible to all young adults across the socioeconomic spectrum.

Our students are film makers, podcast specialists, fitness trainers and study in colleges from Bhandup to Boston. This is because Antarang's programs are unique and focus on bridging the ability of adolescents and young adults to make informed career decisions and industry's intent to hire talent with potential.

Antarang Foundation builds key employability skills in disadvantaged youth in urban low-income settlements. Through two structured programs Antarang guides students on career choice, trains them in core employability skills and connects them to employment opportunities of their choice.

Roles and responsibilities:

- Research on the education and youth employability landscape, and any other related area
- Through the research identify potential Govt and NGO partnerships across geographies that will further Antarang's impact
- Collate, analyse and present relevant data on partnerships
- Prepare for meetings with Govts and NGOs which would include documentation and reporting as required
- Follow up on meetings and MoUs with rigour to make sure we meet all requirements

Profile Requisites:

- Excellent written communication skills
- Excellent research skills
- Strong time management skills
- Ability to take initiative and work independently when required
- 0-2 years of work experience

What's in it for you?

- Impact the outcomes: Your commitment to the cause will impact the outcomes of our programs directly by getting 25 Lakh youth in careers of their choice
- A young, vibrant work environment where Care forms the bedrock of our culture
- Working with a team who will help you learn and develop and give autonomy wherever possible
- Roles and responsibilities that will help you hone transferable skills relevant to the social impact space and beyond
- Last but not the least...the chance to form some strong bonds and connections!

If you are excited about this role and want to contribute please write in to **rapti@antarangfoundation.org** with your updated resume, cover letter and mention why you would be a suitable candidate. Wish you luck and hope to be in touch!

Senior Associate – Talent and Culture (Program Partner)

Location: Mumbai

About the Organization:

Since 2013, Antarang Foundation has been one of the leading voices in bringing employability and career development into the mainstream education narrative. We believe that education which does not lead to social and economic progress is incomplete – and hence employability and aspirational careers need to be accessible to all young adults across the socioeconomic spectrum.

Our students are film makers, podcast specialists, fitness trainers and study in colleges from Bhandup to Boston. This is because Antarang's programs are unique and focus on bridging the ability of adolescents and young adults to make informed career decisions and industry's intent to hire talent with potential.

Antarang Foundation builds key employability skills in disadvantaged youth in urban low-income settlements. Through two structured programs Antarang guides students on career choice, trains them in core employability skills and connects them to employment opportunities of their choice.

Roles and responsibilities:

The Role:

The Sr.Associate – Talent and Culture (Program Partner) will play a critical role of partnering with the Programs Team to ensure that we are able to find the most excellent Facilitators for our classrooms and that they remain engaged and committed throughout their journey. This is the foundation for Antarang's vision and by doing this the Senior Associate will make sure that our students are able to achieve their dreams.

Major responsibilities:

1. **Facilitator Recruitment:**

- Work with the Programs and other teams to identify hiring needs
- Conduct data analysis to identify trends and patterns from existing data, as also make recommendations regarding competencies and process efficiencies
- Network with colleges, higher education institutions, fellowship programs, consultants and other avenues for potential Facilitators
- Create a branding for Antarang at the partner organisations and attempt to maximize interest and hence, applications
- Manage the hiring process end to end with focus both on numbers as well as quality

2. **Culture and Engagement:**

- Development of diverse and inclusive organization culture that supports Antarang's goals and promotes employee engagement and employee retention
- Partner with the Programs team to enhance Facilitator engagement and wellbeing
- Work with the Founder, Director and Lead – Talent and Culture to articulate the organisation vision and values through all systems and processes followed
- Ensure that Antarang retains its vibrant, youthful, inclusive and fun culture
- Conduct events and surveys for employee wellbeing and engagement

Profile Requisites:

- Graduate/ post graduate with 2+ years of relevant work experience in the Human Resources domain (some experience of recruitment strongly preferred)
- Social sector experience would be an added benefit
- Excellent interpersonal and organizational skills
- Good problem-solving and analytical skills
- Passionate about working in and working for youth from low socio-economic communities and to bring about a change
- Flexibility to work odd hours as and when required
- Willingness to travel within/across cities as and when require

What's in it for you?

- Impact the outcomes: Your commitment to the cause / your youth focused skills will impact the outcome of our programs directly by getting lakhs of youth in careers of their choice
- Our work environment is fun, youthful, focused on excellence, and with a deep commitment to achieving outcomes.
- Exposure to a multitude of opportunities for learning directly from the experience & knowledge of a senior team.
- The ability to fast track your career within Antarang and in the broader impact sector.
- Location: Mumbai

If you are excited about this role and want to contribute please write in to **rapti@antarangfoundation.org** with your updated resume, cover letter and mention why you would be a suitable candidate. Wish you luck and hope to be in touch!

Associate – Training

Location: Mumbai

About the Organization:

Since 2013, Antarang Foundation has been one of the leading voices in bringing employability and career development into the mainstream education narrative. We believe that education which does not lead to social and economic progress is incomplete – and hence employability and aspirational careers need to be accessible to all young adults across the socioeconomic spectrum.

Our students are film makers, podcast specialists, fitness trainers and study in colleges from Bhandup to Boston. This is because Antarang's programs are unique and focus on bridging the ability of adolescents and young adults to make informed career decisions and industry's intent to hire talent with potential.

Antarang Foundation builds key employability skills in disadvantaged youth in urban low-income settlements. Through two structured programs Antarang guides students on career choice, trains them in core employability skills and connects them to employment opportunities of their choice.

The Role:

The Training Associate is responsible for a smooth management of the entire facilitator life cycle to ensure Antarang's program goals are met.

The role includes training, developing & engaging facilitators by becoming a mentor and guide to the facilitators so that they excel in their role.

Major responsibilities:

1. **Co-ordinate Trainings**
   - Develop and implement an effective training coordination strategy for each training across multiple stakeholders

- Work with the internal teams to ensure all training needs are planned and met
- Support implementation of all Training Activities across the country, either in person or virtual through direct execution and training other members.
- Support the hiring of facilitators/ training staff for the projects in close collaboration with the HR department.

2. Design workshops and develop training modules and deliver trainings where needed:

- Design each training to be culturally identifiable to the context; program, and for the participants attending the training;
- Design training material, methodology, training guides and reporting templates;
- Delivering trainings that will focus on strong pedagogy and engagement to achieve student outcomes
- Design evaluation and assessments for trainings.
- The Training Associate will be using the career guidance curriculum as a basis for adapting the training curriculum to the projects' needs.

3. Reporting

- Regularly write and share summary report highlighting training, lessons learned, and challenges, and recommendations including success highlights, feedback from participants, and recommendations for the next training.
- The position holder may be required to undertake other duties that are broadly in line with the above key duties to enhance program quality.

Profile Requisites:

- 1-2 years of relevant experience in training
- Good communication skills and strong problem-solving ability
- Passionate about working in and working for the youth from lower economic backgrounds & in communities
- Good analytical skills and attention to detail
- Complete ease in using the Microsoft office suite

What's in it for you?

- Impact the outcomes: Your commitment to the cause / your youth focused skills will impact the outcome of our programs directly by getting lakhs of youth in careers of their choice
- Our work environment is fun, youthful, focused on excellence, and with a deep commitment to achieving outcomes.
- Exposure to a multitude of opportunities for learning directly from the experience & knowledge of a senior team.
- The ability to fast track your career within Antarang and in the broader impact sector.
