Aspiring Leaders Program

The Aspiring Leaders Program is a **fast-track** program curated for those who wish to make an **impactful career** in the **alcoholic beverages** industry.

phase 1

Nurture

Candidates will go through a detailed training on the Alcobev Industry, its various ways of operation and the best practices.

Detailed brand trainings, tastings and certifications to qualify candidates beyond industry standards.

phase 2

Blend

Candidates go through a period of shadowing experts in the field.

The candidate will receive practical on ground training across sales (off-premise, on-premise, key accounts), trade marketing, commercial accounts, supply chain management and stakeholder management.

phase 3

Distill

Candidates begin to take responsibility as a Key Accounts Manager/ Business Development Manager or Trade Marketing Manager.*

By this time they would have been trained to control the market presence of the company in their area of operation. Helping build brands across multiple segments.

Candidates would also receive upto Level 2 certification of the Wines and Spirits Education Trust.

*roles in operations (finance, supply chain & analytics might also be available.
