Social Media Strategist

About the role:

We are looking for a Social Media Strategist who is experienced in developing and executing marketing strategies on various social media platforms. The ideal candidate should have an active social media presence and be well-versed in social media tools such as reels, quizzes, etc.

Your key deliverable are to:

- Independently ideate and execute content strategy.
- Crafting brand and campaign strategies including Digital, Advertising, Communications and Creative.
- Working on quarterly and monthly brand campaigns that will be content led and purpose driven.
- Develop, implement and manage social media strategy and calendar.
- Measure results of the social media campaigns and take necessary course corrections.
- Co-ordinate with creative and marketing team at every step.
- Take ownership and responsibility for increasing followers & engagement.

Knowledge & Capabilities:

- A strong foundation in marketing concepts.
- Knowledge of social media trends.
- Should be well-versed with short form content.
- Experience in Facebook, Instagram & LinkedIn campaign management.
- Experience in content strategy and working with content creators.

Location:

- Bengaluru

About BLive :
https://store.blive.co.in/

B:Live's mission is to give people the power to choose and own an EV to create a green and pollution free world.
We are a multibrand EV platform with the largest ecosystem of EV manufacturers, services and retail centres on a digital platform to enable discovery, experience and ownership of EVs.
Since our inception in 2018, our 'digital to physical' approach has assisted thousands of people in more than 50 cities to switch to electric. We promote adoption of EVs through our award winning experiential Ebike tours, community of EV experts and omnichannel EV platform.
Headquartered in Goa with offices in Bangalore, BLive is fastest growing EV platform with an extensive network of multibrand EV stores and a growing number of personal and commercial customers.

We're redefining sustainable mobility in India and here's your chance to shape the future driven by Electric vehicles.

Our culture :
As a fun young startup, we believe in the power of ideas and the spirit of innovation. We are a non-hierarchical and agile organization putting people first, as our most valuable asset. We encourage taking risks and trying out new ideas, rewarding those who take ownership and accountability.
