Associate Program Manager

Store Operations

Gurugram, INDIA

Why we exist

Imagine needing something when you are at home and getting it before you have tied your shoelaces to step out. Blinkit is revolutionising e-commerce by making the stuff most important to you, available to you in a blink of your eye.

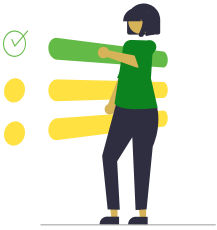

We are already one of the largest e-grocery companies in India. Our ambition however, is to be 100x this size in the next five years.

Qualifications

- An ambitious postgraduate with prior experience in operations/growth preferably from early stage startups or consulting
- Highly data-driven individual with a entrepreneurial mindset
- Experience of operating in a fast-paced high growth environment
- Ability to multi-task and work well within a dynamic organisation.

What you will do

- Drive data driven decision-making to build simple and effective solutions to complex problems with focus on efficiency, quality and cost of in store operations
- Scope out problem statements, liaise with cross functional teams and take end-to-end ownership of the pan-India rollout
- Identify best practices and assist in building mid term/long term roadmap to drive performance improvements and cost reduction programs
- Manage execution and constant monitoring of key projects for timely deliverables
