Executive/ Sr.Executive

Growth

Gurugram, India

Why we exist

Imagine needing something when you are at home and getting it before you have tied your shoelaces to step out. Blinkit is revolutionising e-commerce by making the stuff most important to you, available to you in a blink of your eye.

We are already one of the largest e-grocery companies in India. Our ambition however, is to be 100x this size in the next five years.

Qualifications

- MBA with prior experience
- Excellent communication skills - ability to converse seamlessly and clearly with tech, product, and business
- Leadership skills – gauged basis a demonstrated ability to lead multidisciplinary teams in a highly dynamic environment
- Data-driven approach to problem-solving - you must be obsessed with data and know-how to share it in a manner that makes sense to all stakeholders
- Customer-first approach – you must always think customer first and be absolutely unwilling to make compromises on customer experience
- Bias for action – with a focus on measurable results
- Ability to learn quickly and hit the ground running in any business vertical
- Flexibility to switch between different workstreams

What you will do

- As a part of the growth team, you will work closely with the founder's office and leadership teams across business verticals to help identify and solve critical problems
- Pick projects that help provide strategic direction to the company
- Take ownership of different initiatives and drive them to completion
- Deep dive into data to find and share insights with the leadership team
- Identify and question key metrics for the functions you are aligned with
- Suspend assumptions and challenge status quo on existing processes and ways of working to push for innovation
- The responsibilities of your role will be flexible and will keep evolving as our organizational priorities evolve
