Executive/Sr. Executive
People Team

Gurugram, India

Why we exist

Imagine needing something when you are at home and getting it before you have tied your shoelaces to step out. Blinkit is revolutionising e-commerce by making the stuff most important to you, available to you in a blink of your eye.

We are already one of the largest e-grocery companies in India. Our ambition however, is to be 100x this size in the next five years.

Qualifications

- Excellent communication (both verbal and written)
- Orientation towards detail with a knack for multi-tasking
- First principle approach: be comfortable in solving a fuzzy/ unsolvable problem with the right thought process
- Highly action-oriented: Blinkit as a culture has a strong bias for action and speed of implementation; the incoming candidate will need to own projects and responsibilities assigned to them
- Strong in data analytics: proficiency in Excel

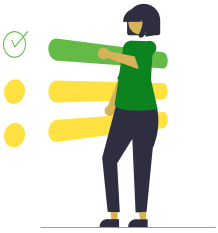

What you will do

Talent Acquisition

- End to end talent acquisition (sourcing & screening, coordinating interviews with x stakeholders, negotiation & offer generation) for different departments
- Sourcing resumes through job boards, social media, inbound applications, headhunting and referrals
- Maintaining talent pools of potential candidates & past applicants for future staffing needs
- Keeping the talent pool database updated on real time basis and preparing relevant analysis and dashboards

HR Operations

- Manage end-to-end employee life cycle
- Act as the "go-to" person for resolution of employee's day to day grievances and queries
- Conceptualise & reinvent HR policies and processes in line with changing business needs & objectives
- Have regular employee connects to understand the pulse of the team and proactively address any concerns to drive greater contentment and productivity in the team
- Drive the annual performance management cycle
- Ensure smooth separation process
- Ensure employee data sanctity and provide people related data insights to business from time to time
