| **Reports to** | Assistant Program Manger/ Program Manager |

## About CARPE| Ecosattva

CARPE EcoSattva is a hybrid social enterprise headquartered in Aurangabad. We have a vision to build sustainable and Inclusive cities, towns and villages. We do this by identifying and implementing partnerships enabled and research and data driven solutions to pervasive civic challenges. With a team strength of 58, we offer services in Solid Waste Management, Green Cover Management and Water Body Restoration

The organization is growing rapidly across territories, with an expanding network of clients and partners across all the verticals. We have worked in multiple Urban Local Bodies in India and internationally, including in Buenos Aires in Argentina and Denpasar In Indonesia. Our work in Solid Waste Management has been appreciated and acknowledged by McKinsey.Org team and you can read more about it here. You can also understand more about our work in green cover management in the district of Aurangabad as a part of the Green Aurangabad Mission here. Our Kham River Restoration project has been launched with the aim of reducing solid waste and water pollution in the river. The project focuses on restoring ecological balance of Kham while creating community awareness and engagement.
