Care.Fi

Care.fi Technological Solutions Private Limited

CIN - U72900KA2021PTC153099

Category Growth Manager

Care.Fi is a healthtech start-up, solving for supply chain challenges in the healthcare ecosystem, working at the intersection of healthcare, finance, and commerce. We are on a mission to improve access to healthcare across India through technology-led solutions.

We are on a mission to impact 10 million patients in the next 24 months.

Come be a part of the Indian Healthcare revolution!

Role Objective:

Care.Fi is looking for energetic and passionate individuals who want to join us on our mission to disrupt the traditional healthcare ecosystem in India.

Location: Delhi NCR, Hyderabad, Bangalore, Jaipur, Lucknow, Jalandhar, Chennai

Key Responsibilities:

- Lead 0 to 1 journey for new categories, identified after deep market research and unique customer insights
- Develop regional strategy and business plans with inputs from regional teams
- Category owner who can take up the complete ownership of the assigned micro-market and deliver the results
- Collaborate with cross functional teams to identify Voice of Customer, identify the unique needs, and build solutions tailored to them

Qualification & Experience:

An ideal candidate would have:

- 2-4 years of experience in Pharma /FMCG / Consulting / B2B Commerce startups / SME Lending startups
- Good understanding of Indian healthcare ecosystem (Preferred)
- Strong negotiation and relationship management skills

Above all, we are looking for candidates with PhD – Poor, hungry and Driven mentality; A hustler and get things done attitude is a must. While this role requires execution, we expect candidates eager to have an on-ground experience, get their hands dirty and solve real world problems.
If a fast-paced entrepreneurial environment and deep problem solving excites you, we would love to connect and learn more about you!

Hiring Process:

Our hiring process for all roles involves 4-5 discussions with various members of the Care.Fi team. This is a chance for you to get to meet our team and understand how we work.
