Financial Operations Associate

The Financial Operations group is an integral part of our global operations. We are looking for individuals from a wide range of backgrounds, with extraordinary academic or professional achievements, who have demonstrated initiative and intelligence in their previous endeavors, for one or more of the functions in the Financial Operations group. We are looking for resourceful candidates to join our Financial Operations group based in Bengaluru/Gurugram/Hyderabad.

What you'll do day-to-day:

Tax:

As an Associate in Tax, you'll analyze tax treatment of various financial products and generate tax profit and loss reports. You'll analyze the book and tax P&L differences. You'll prepare and review investor statements and tax returns for U.S. hedge fund and private equity entities. You'll support on various tax compliance functions like Sales and Use Tax, Tax Depreciation, Commercial Rent Tax and prepare Federal & State Tax forms. You'll support the team on various tax initiatives like optimizing post-tax returns and other tax planning assignments.

Management Reporting:

As an associate in Management reporting, you'll prepare firm-wide reports providing key performance indicators including P&L, expenses, capital, returns & fees. You'll coordinate with various teams including Front Office, Risk, Pricing, and other teams in FinOp to ensure accuracy of data. You'll handle P&L and capital related ad-hoc requests from portfolio managers and senior stakeholders. You'll understand and analyze changes in the firm's businesses, like new product launches; and incorporate these changes into the reporting infrastructure (and subsequent reports) themselves. You'll drive technology projects to build tools for reporting and analysis, streamline workflows, and improve user experience.

The D. E. Shaw group (DESCO) is a global investment and technology development firm with more than $60 billion in investment capital as of December 1, 2022, and offices in North America, Europe, and Asia. Since our founding in 1988, our firm has earned an international reputation for successful investing based on innovation, careful risk management, and the quality and depth of our staff. We have a significant presence in the world's capital markets, investing in a wide range of companies and financial instruments in both developed and developing economies. Our activities range from computer-based quantitative investment management to the development and financing of technology-oriented business ventures. D. E. Shaw India (DESIS) is a core member of DESCO's Global Information Technology Group and was established in Hyderabad in 1996. DESIS provides research, development, and support for all of D. E. Shaw's business initiatives.
