

Company Description:

Dell provides the technology that transforms the way we all work and live. But we are more than a technology company — we are a people company. We inspire, challenge and respect every one of our over 100,000 employees. We also provide them with unparalleled growth and development opportunities.

As an Inside Product Specialist, you would work with the Account Managers to sell end-to-end infrastructure solutions - enterprise (Server, Storage & Networking) and client products and services in assigned territory /geography.

Role Responsibilities:

- Work as part of the sales team to prospect new opportunities related to Dell Product and services
- Work as account owners of your territory to generate pipeline opportunities & drive product/service focused discussions
- Develop pipeline by checking customer's buying history; proposing related and new Dell offerings
- Develop sales opportunities by researching and identifying potential accounts; soliciting new accounts; building rapport with customers; providing technical information and explanation
- Assess competitors by analyzing and summarizing competitor information and trends
- Qualify & follow-up sales leads that are generated from sales campaigns
- Work with multiple stakeholders like outside sales team, operations, finance and marketing teams to manage end-to-end order lifecycle
- Meet quarterly goals & Sales Target

Essential Requirements

- Graduate degree in business administration from a premier institute, not more than 12 months of prior work experience
- Excellent communication & reporting skills
- Work in a team environment and demonstrate leadership skills
- Demonstrate ability to learn & adapt
- Strong organizational skills

Internal Use - Confidential

Our EVP:

Our Culture Code unites us and makes us a great family of companies and a great place to work. It's how we run the business, go to market, work together and provide inspirational leadership.
Our culture code is defined by our values and are made real every day by defining expectations for how we work and how we lead.

Why work with us?

- Life at Dell means collaborating with dedicated professionals with a passion for technology.
- When we see something that could be improved, we get to work inventing the solution.
- Our people demonstrate our winning culture through positive and meaningful relationships.
- We invest in our people and offer a series of programs that enables them to pursue a career that fulfills their potential.
- Our team members' health and wellness is our priority as well as rewarding them for their hard work.

Dell is committed to the principle of equal employment opportunity for all employees and to providing employees with a work environment free of discrimination and harassment. All employment decisions at Dell are based on business needs, job requirements and individual qualifications, without regard to race, color, religion or belief, national, social or ethnic origin, sex (including pregnancy), age, physical, mental or sensory disability, HIV status, sexual orientation, gender identity and/or expression, marital, civil union or domestic partnership status, past or present military service, family medical history or genetic information, family or parental status, or any other status protected by the laws or regulations in the locations where we operate. Dell will not tolerate discrimination or harassment based on any of these characteristics. Learn more about Diversity and Inclusion at Dell here.
