

Programme Title: Deutsche Bank Graduate Programme
Location: Mumbai, India
Business Division: International Private Bank

About Deutsche Bank:

Deutsche Bank is the leading German bank with strong European roots and a global network. We're driving growth through our strong client franchise. Against a backdrop of increasing globalization in the world economy, Deutsche Bank is very well-positioned, with significant regional diversification and substantial revenue streams from all the major regions of the world. We serve our clients' real economic needs in commercial banking, investment banking, private banking and asset management. We are investing heavily in digital technologies, prioritizing long term success over short-term gains, and serving society with ambition and integrity. All this means a career packed with opportunities to grow and the chance to shape the future of our clients.

The Deutsche Bank Graduate Programme:

From the day you join Deutsche Bank, you'll be working as part of a global team that is transforming the world of banking. There will be an extensive training program following which you will allocated to the one of the desks in the International Private Bank team in Mumbai.

If you have the drive to succeed in the fast-paced financial services industry, Deutsche Bank is an exciting, supportive place for you to begin your career.

About the business division

International Private Bank is one of the preeminent private banks in the Eurozone and for family entrepreneurs worldwide. It serves around 3.4 million clients, including private clients and small and medium-sized enterprises (SMEs) in Italy, Spain, Belgium and India, and Wealth Management clients from more than 80 locations in Germany, the rest of Europe, the Middle East and Africa (EMEA), Asia-Pacific and the Americas.

The business has around 250 billion euros of assets under management and a combined revenue of approximately 3 billion euros. It offers high-net-worth (HNW) and ultra-high net-

worth (UHNW) clients a broad range of traditional and alternative investment solutions, as well as comprehensive advice on all aspects of wealth management. Additionally, in Italy, Spain, Belgium and India it offers a comprehensive range of products including investment and insurance products, deposits, checking accounts, cards and other payment services as well as credit and business banking products.

Deutsche Bank International Private Bank (IPB)

The IPB Centre in Mumbai has coverage of a broad range of roles across the Personal & Private banking value chain. We have a long-standing association with the onshore desks and provide high quality outputs supporting the global IPB agenda. We focus on domain expertise for critical areas directly impacting the organisational effectiveness, encompassing strategic advice & operational oversight, risk remediation and governance. The focus of this role is:

- Cost and Resource Management
- Program management
- Business Integrity
- Research & Analytics

Key Responsibilities:

- Cost and Resource Management related activities. Budgeting and Forecasting, Performance management and data analysis (financial & non-financial metrics), interacting with business COOs and CFOs as necessary
- Resource tracking including tracking hires / leavers. Closely liaise with HR and team leads to maintain hiring dashboard. Monthly headcount forecasts and variance analysis
- Project management support at various levels of governance. Effective tracking and communication of program status, risks, and dependencies
- Regulatory topics and benchmarking, Risk and Control metrics, Non-Financial Risk Management
- Research reports and regular updates e.g. industry–wide, client segments, products
- Interpret data-sets, analyse results using statistical techniques and provide reports
- Marketing materials in the form of slides and emails, conveying ideas in clear and crisp language

Skills and Qualifications:

We recruit bright graduates who are ambitious and adaptable. They have degrees in many different disciplines. We have very comprehensive training programmes that will give you the technical knowledge you'll need to build a career with us. Above all, we're looking for entrepreneurial people who thrive best in a diverse culture where innovation and agile thinking abound. You should not only be passionate about the world of finance, but also show a keen interest in your chosen field. You already have a record of outstanding academic achievement and you're eager to go on learning at the same intensive rate. So
