Dr. Reddy's Foundation

Management Trainee Program

Building next generation leaders for social sector

2023-2024

About Us

Dr. Reddy's Foundation (DRF) is a not-for-profit organization, focused on enhancing the dignity and well-being of low-income groups.

Vision

To enable sustainable social impact at scale

Mission

To empower communities through improved education, health, livelihood and climate action outcomes.

OUR STRATEGY

To develop and test innovative solutions to address complex social problems and leverage partnerships to scale up impact.

OUR APPROACH

We follow the Collective Problem Inquiry and Solving Approach to address complex social problems.

What we do

EDUCATION

RURAL HOUSEHOLDS

YOUTH SKILLING

HEALTHCARE

CLIMATE ACTION

SOCIAL SECTOR INITIATIVES

DR.REDDY'S FOUNDATION

Education

KARV, KARV-JC, & SIP

Started with an aim
to discourage child labor, we
run several school projects to
help children from marginalized
communities get access to
quality education.

DR.REDDY'S FOUNDATION

Youth Skilling

GROW & GROW PwD

Started with an aim
to enable young people from low-income households with better skills and better jobs, our GROW centers deliver affordable high-quality skill training. The focus is on improving Core Employability Skills to ensure that the aspirants are ready for careers across different industries. Our GROW PwD centers cater to the special training needs of People with Disabilities.

DR.REDDY'S FOUNDATION

Climate Action

ACE

Started with an aim to climate-proof the lives of small & marginal farmers from adverse impacts of climate change, our Action for Climate & Environment program (ACE) promotes climate-smart/friendly agricultural practices that focus on sustainably increasing agricultural productivity and incomes, lowering greenhouse gas emissions, and building resilience to climate change.

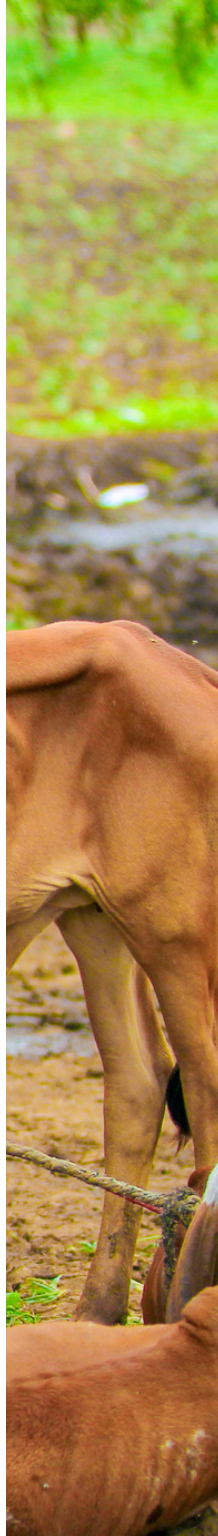

DR.REDDY'S FOUNDATION

Rural Households

MITRA

Started with an aim to deliver sustainable and consistent last-mile agriculture-extension services, our lead farmer community platform strives to improve the lives of small and marginal farmers by enabling them to use the best agricultural practices.

DR.REDDY'S FOUNDATION

Healthcare

HQHCS

Started with an aim to address the acute shortage of trained and certified Allied Healthcare Professionals, our HQHCS (High-Quality Health Care Skilling)centers ensure effective training through a high-quality curriculum and assessments aligned to occupational standards, in state of art Skill labs.

Social Sector Initiatives

ARITRA

Started with an aim to improve overall outcomes for the ecosystem while addressing adaptive social problems, our leadership development program, ARITRA, aims to develop senior leaders for the social sector. The 12-month program is being implemented by IIMB and Phicus.

Our Impact

Children

3,57,918

Youth

4,22,986

Persons with Disabilities

27,973

Rural Households

2,70,123
