**Indian Political Action Committee**

## Role: Campaign Manager

### About I-PAC

Indian Political Action Committee (I-PAC) is India's first & largest cross-party political advocacy group, widely credited to have revolutionized election campaigning in India.

I-PAC is the platform of choice for students and young professionals to participate in and make a meaningful contribution to political affairs, grassroot development and governance of the country without necessarily being part of a political party. Started as Citizens for Accountable Governance (CAG) in 2013, I-PAC has brought together some of the best minds from diverse academic and professional backgrounds and has provided them with a unique opportunity to closely engage in the election process and influence policymaking in India.

For more information on I-PAC, please visit – http://www.indianpac.com

### About the Position

We at I-PAC are seeking a highly motivated and dynamic individuals who can play a pivotal role in election campaigns – drive political strategies on ground and execute campaigns involving large scale outreach.

As a Campaign Manager, you'll coordinate with internal stake holders from across teams at I-PAC and external stake holders including party leaders and the general public at large. This position will give you a ring side view of how the Indian democracy functions first hand and allow you to make your impact.

### Job Responsibilities

- Detect the political pulse of different demographic, geographic and legislative entities through a series of rigorous primary or secondary research initiatives
- Liaise with political stakeholders including party leadership, post holders and workers to provide support, execute central campaigns and develop networks on ground
- Plan, conceptualize, strategize and execute high impact end-to-end on-ground campaigns; Draft detailed work plans to handhold implementation in coordination with internal and external stakeholders
- Co-ordinate with various internal teams of I-PAC including digital media, data analytics, strategic research and operations to achieve campaign aims

I-PAC
