INDIAN SCHOOL OF DEMOCRACY
उत्कृष्ट भारत

Job Description: Social Media and Graphics Designer

About Indian School of Democracy:

Vision: *Redefining public leadership*

Mission: Nurture principled leaders with moral courage and imagination, to work on strengthening Indian democracy through politics.

Our How: Indian School of Democracy (ISD) envisions nurturing leaders who will be the epitome of principled leadership, and will serve the nation with a goal to reach the unreached. ISD will nurture young people for political space, and create pathways for them to serve after the program. **We will begin with a focus on politics.**

Three foundations of the program:

1. Relevant hard skills like policy analysis, negotiations, constitutional law, communications, mobilization, public finance etc.
2. **Inner Transformation** through immersion and practice; development of personal leadership
3. A **community** of peers and mentors, leading to sustained and collective impact in public space

About the Team: We really focus on political, geographical, religious, gender and other forms of diversity. You can read about the team on our website.

Role of Social Media and Graphics Designer: Our main stakeholders are young people who will eventually redefine public leadership. The long term and short-term programs, finds and nurtures these seeds of public leadership. Online and offline communications and outreach are a crucial part of this journey. ISD relies heavily on social media, online and offline communication and marketing. Our communication is written, visual and in the forms of documented learning. We need someone who can handle all the dynamic aspects of the online world. As an organisation, ISD wants to build a strong team while ensuring team's personal growth. At this point, we need someone who is ready to commit 2-3 years in this role, to build the institution.

In your role as, you will work on:

- Draft content and design posters, videos, website and manage multiple ISD channels.
- Manage posts, responses, strategic boosts etc for online channels and programs Design offline marketing channels and content
- Run ads on social media
- Manage written content for external partners, updates, newsletter etc. for ISD

Qualifications and Skills we are looking for:

- Bachelor's degree in some communication related field
- 2-3 years of full-time professional experience; preferably in design and online+offline communication / management (we won't be able to consider people without full time experience)
- Proficiency in Canva, Photoshop/ Illustrator/Corel Draw, Excel, MS Word, Powerpoint and Mail Merge
- Experience in developing visual and written content, handling marketing and outreach through online and offline medium
- Experience in running ads on social media (a must)
- Great communication skills in English and Hindi, one more Indian language will be an added benefit
- Attention to detail and process orientation (very important)
- Conscientiousness, discipline, rigor and ability to take/give feedback
- Entrepreneurial, resourceful, frugality, and sense of possibility
- Ability and willingness to work with people from across the political spectrum

Location: Based in New Delhi

Compensation: Remuneration will be based on competency and we will be building ISD together. Salary range for this role will be 4-4.5 lakhs per annum to begin with. We are hoping you grow with the organization, and we will revise salaries as we grow.

Application Process: To apply, please fill this form to help us get to know you better. Note that you will need a gmail id to apply.

If shortlisted, there will be pre-work, followed by two interviews, a day at the ISD office and space for co-creation. Write to contact@indianschoolofdemocracy.org if you have any questions. Selection

process can take up to 3-4 weeks to complete. Expected start date is March 2023 but we are flexible with that.
