We are Hiring!
We are scaling up and need more hands and legs on the ground. If you have an interest in behavioural science and want to be part of a team that creates exceptional, memorable experiences for corporates, read on.

About the organization
Exper is a leadership and culture development organization founded in 2007 by alumni of XLRI & INSEAD who are practicing professionals, entrepreneurs, business leaders, educationists, authors, facilitators, and behavioural science professionals.

Exper has partnered with over 200 organizations on leadership development through behavioural and skill workshops, personalized coaching, and consulting for CxO and senior executive level, and high potentials earmarked for leadership roles.

Job Location: Gurugram | **Position:** Client Relationship Manager | **Preferred Age:** 21-25 Years |

CTC: 4.5-5 LPA

About the Role
The selected candidate will be based out of our Head office and will work with the team to organize and deliver trainings for corporates. We are looking for a person with a background in managing customer relations and preferably someone who has a flair for written and verbal communication.

Job Responsibilities

- Build long-term relationships with key clients
- Coordinating with clients and in-house teams (Faculty, Operations etc) for effective delivery
- Planning and execution of trainings across the country
- Networking with clients to promote our offerings
- Documentation of projects end to end

Skills required to succeed

- Bachelor's degree (sales, operations or business administration preferred)
- Eloquent in English with good communication, presentation, inter-personal skills
- Ability to work with multiple stakeholders
- Comfortable in Microsoft Office suite
- Good understanding of social media is an added advantage
