

About us

Innoviti Technologies Pvt. Ltd. is India's largest provider of Collaborative Commerce Platforms. We are using payment technology in an unconventional way to solve the problem of rising cost of acquisition for businesses. As you know, digital marketing has made it easy for competition to target customers of a business. Large businesses have started collaborating to acquire customers together. Innoviti is the leader in providing them tools for doing this, so that businesses can provide better purchase tools to consumers, and they can make better purchase decisions.

We have several products each designed using deep consumer insights on what would urge a consumer to buy more or better products in a category. We are looking for a talented Enterprise Sales Executive who Should have good connections in the local market especially in the hospitals/nursing home segment.

Innoviti has a market share of 70% in the enterprise retail market of India, managing over Rs. 75,000 Cr. of annual purchases from over 2000+ cities in India. Reliance, Landmark Group, Shoppers Stop, Pantaloons, Hamleys, Van Heusen, Louise Phillipe, Madura Garments, and several other hundreds of Enterprises are our customers.

Bessemer Venture Partners, USA, FMO, Netherlands, Catamaran Ventures, Panthera Growth Partners, Singapore, and Alumni Ventures are investors in the company.

Innoviti as part of its cultural DNA ensures high performances are always rewarded, going on similar lines it successfully enabled former and current employees who had expressed an interest in encashing their ESOPs and shares to sell them to interested secondary buyers for two consecutive years. More than 30% of eligible people used this opportunity to create wealth out of their hard work. Employees got a return varying from 7X to 37X based on the price at which they had exercised their ESOPs into shares.
