Jajabor Brand Consultancy

THE ROLE

Special Project Lead/Communications Associate *@ Jajabor Brand Consultancy*

WHO ARE WE?

At Jajabor, we are a bunch of comms folks, marketing ninjas, lawyers, academicians, hustlers & most importantly storytellers who care about using the art of storytelling + story-doing to make business impact happen.

With a diverse pool of 50+, Jajabor has worked across clients such as Samsung, Twitter, Snapdeal, Huawei & more. Partnering across geographies in India, US, Japan & Singapore.

WHY US?

- We are India's fastest growing communications agency with a proven track record of helping some of the largest VC's & startups to deploy funds, raise funds, hire talent & break into new markets
- Our clients include leading & listed startups, leading investors, crypto companies, influencers, policy think-tanks, market leaders & community builders
- We work at the intersection of PR, Brand Building, Investor comms, Policy & Creativity
- We LOVE scale & have grown 120% every year since launch in 2017 & handle a portfolio of companies with a collective market value of $3.5 Bn dollars
