About Jan Sahas: Jan Sahas, established in the year 2000, is a not for profit grassroots organization committed to promote the development and protect the rights of socially excluded communities with special focus on girls and women through the eradication of all forms of bondage including manual scavenging and caste-based prostitution; empowerment of adolescent girls and women to end violence and gender justice, skill development for dignified livelihoods and social entrepreneurship; legal aid for access to justice and reform in the criminal justice system; support in education; food and nutrition security; land and agriculture development; develop barefoot lawyers to build victim or survivors as leader and empowerment of communities through capacity and organization building.

About MRC: Migrants Resilience Collaborative (MRC) is a grassroots-led multi-stakeholder collaborative of non-profit, philanthropic, and private sector actors focused on ensuring dignity, safety, security, and mobility for vulnerable migrant families across India. The Collaborative will be India's largest grassroots-led collaborative, and largest non-governmental initiative dedicated to the migrant workers and their families.

We will support 10 million workers and their families in 100 districts and cities (across source and destination) over the next 5 years with the following outcomes:

1. Delivering social security entitlements
2. Providing access to responsible and ethical recruitment
3. Strengthening tracking, worker protections, welfare, and redressal
4. Enhancing financial inclusion through facilitating delivery of appropriate financial products

Summary: As Training and Knowledge Management Coordinator you will play a crucial role in building a strong team to support a large community-centric program such as the Migrants Resilience Collaborative. You will work closely with the Training and Knowledge Management Manager and MRC Program Managers to identify training needs of 800+ team members and mapping out capacity building plans for them. You will also be spearheading the design, development, and facilitation of training programs and providing inputs to refine the program.

Key responsibilities:

The Coordinator – Training and Knowledge Management will be responsible for the following activities to advance MRC's overall goals:

- Conduct training needs assessment and identify skills or knowledge gaps that need to be addressed

- Design and implement content for training programs per team/stakeholder requirements
- Liaison with research, IT, MEL, and operations team for developing training materials
- Devise and recommend appropriate training tools to ensure desired capacity building of identified resources
- Market available training to employees and provide necessary information about sessions
- Map out annual training plans and prepare the training calendar accordingly
- Management and delivery of training programmes in accordance with defined timelines
- To monitor the training activities being carried out in different states through their quarterly reports and visits
- Lead and support on monitoring and evaluation of the training programs to ensure continuous improvement
- Assess instructional effectiveness and determine the impact of training on employee skills and KPIs
- Gather feedback from trainees after each educational or training session
- Manage delivery of related communications, report generation and analysis of the training programs for operations improvement
- Prepare an IEC plan for MRC in consultation with Communication Team
- Assist communications team in preparation of media plan as per IEC guidelines
- Capacitating field team in technology implementation and aim at smooth as well as effective adoption of the IT applications
- Host train-the-trainer sessions for internal subject matter experts
- Prepare monthly reports/newsletters/achievement reports
- Maintain updated curriculum database and training records

Experience and qualification:

Required

- Masters-level degree (or higher) in in education, Communications, Media, Social Work, Management, or related fields
- 0-3 years of experience in full training cycle (assess needs, plan, develop, coordinate, monitor and evaluate)
- Familiarity with traditional and modern job training methods and techniques
- Extensive knowledge of instructional design theory and implementation
- Advanced organizational skills with the ability to handle multiple assignments
- Proven work experience as a Training Coordinator, Trainer, Training Facilitator, or similar role
- Adequate knowledge of learning management systems and web delivery tools
- Experience with e-learning platforms
- Proficiency in MS Word, Excel, and PowerPoint
- High proficiency in verbal and written English and Hindi. Proficiency in other Indian languages is preferred

Preferred

- Proven ability to connect with communities the organization serves
- Strong field orientation and empathy towards the needs of communities being served
- Demonstrates sensitivity and tact in interpersonal relations
- Strong leadership and multitasking skills; proven ability to be flexible in a team-oriented approach with diverse group of people
- Ability to quickly adopt diversity, culture and ethos of the organization

- Strong coaching and leadership skills, ability to motivate employees
- Willingness to travel extensively and independently to all program areas for conducting trainings, field visits etc.

Base Location: Dewas, Madhya Pradesh or Delhi

Compensation: Commensurate with experience, and competitive based on non-profit standards in India.

We encourage you to apply if you are interested in working with us in our journey to ensure dignity and equality for all.

How to Apply: Interested applicants can submit their cover letter and CV in a single PDF document. The cover letter should address "why you believe you are the right fit for the Migrants Resilience Collaborative" in no more than 300 words.

Please mention "Coordinator-Training and Knowledge Management" in the subject line.

Jan Sahas gives equal opportunity to all individuals irrespective of their gender, caste, religion, race, sexual orientation etc. The organization promotes opportunities for women and candidates belonging to marginalized backgrounds.
