**About Jan Sahas:** Jan Sahas, established in the year 2000, is a not-for-profit grassroots organization committed to promote the development and protect the rights of socially excluded communities with special focus on girls and women through the eradication of all forms of bondage including manual scavenging and caste-based prostitution; empowerment of adolescent girls and women to end violence and gender justice, skill development for dignified livelihoods and social entrepreneurship; legal aid for access to justice and reform in the criminal justice system; support in education; food and nutrition security; land and agriculture development; develop barefoot lawyers to build victim or survivors as leader and empowerment of communities through capacity and organization building.

**About MRC**: Migrants Resilience Collaborative (MRC) is a grassroots-led multi-stakeholder collaborative of non-profit, philanthropic, and private sector actors focused on ensuring dignity, safety, security, and mobility for vulnerable migrant families across India. The Collaborative will be India's largest grassroots-led collaborative, and largest non-governmental initiative dedicated to migrant workers and their families.

We will support 10 million workers and their families in 100 districts and cities (across source and destination) over the next 5 years with the following outcomes:

1. Delivering social security entitlements
2. Providing access to responsible and ethical recruitment
3. Strengthening tracking, worker protections, welfare, and redressal
4. Enhancing financial inclusion through facilitating the delivery of appropriate financial products

To know more please visit: https://www.jansahas.org/mrc

**Summary:** As a Training and Development Coordinator you will play a crucial role in building a strong team to support a large community-centric program such as the Migrants Resilience Collaborative. You will work closely with the Training and Knowledge Management Manager and MRC Program Managers to map out the knowledge and develop content, training, and capacity-building modules for fulfilling the needs of 800+ team members.

**Key responsibilities:**

**The Training and Development Coordinator will be responsible for the following activities to advance MRC's overall goals:**

- Devise and recommend appropriate training content to ensure desired capacity building of identified resources.

- Curating content from internal and external stakeholders for preparing textual, audio, and visual training content for various teams within MRC
- Liaison with research, IT, MEL, operations, worker protection, and partnership teams for developing training content.
- Prepare an IEC plan for MRC in consultation with various verticals in MRC and Communication Team
- Assist the communications team in the preparation of a media plan as per IEC guidelines.
- Design and develop communication materials (i.e., printed infographics, one-pagers, flyers, newsletters, banners, etc.).
- Support and develop communication-related materials as required from different projects under MRC.
- Extract case stories from the field and collect good pictures to develop impact stories.
- Responsible for creating digital training content using various audio-video editing software tools; knowledge of authoring tools such as storyline 360 and other digital tools will be an added advantage.
- Implement evidence-based communication interventions, based on the theory of change that impacts behavior change outcomes for the employees and communities served under MRC.
- Lead and support monitoring and evaluation of the training content to ensure continuous improvement from the SBCC perspective.
- Maintain updated curriculum database and training modules.
- Manage the delivery of related communications, report generation, and analysis of the training content for operations improvement.
- Develop the ToR and oversee the conceptualization and production of audio-visual materials to be delivered by vendors /consultants.

**Experience and qualification:**

**Required**

- Proven work experience as a content creator/developer, graphics designer developer, or similar role
- Ability to develop creative presentations and process flows and able to display complex ideas in a clear and concise manner.
- Proven experience in designing e-learning content in a not-for-profit sector.
- Adequate knowledge of learning management systems and web delivery tools
- Acquire and apply new technology skills to instructional design practice; experience with e-learning platforms and deliver engaging e-learning content.
- Knowledge of designing content from the user's perspective
- Ability to design, develop and build blended learning experiences - Strong proficiency with industry-standard design software (Articulate Storyline, articulate 360, Adobe Captivate)
- Advanced organizational skills with the ability to handle multiple assignments.
- High proficiency in verbal and written English and Hindi. Proficiency in other Indian languages is preferred.
- Ability to use Microsoft Office Products in Word, PowerPoint, and Excel is a must.
- Masters-level degree (or higher) in education, Communications, Media, Social Work, Management, or related fields; a graduate/PG degree in English /journalism is preferred.
- 0-3 years of experience in a full training cycle (assess needs, plan, develop, coordinate, monitor, and evaluate)

**Preferred**

- Proven ability to connect with communities the organization serves
- Strong field orientation and empathy towards the needs of communities being served
- Demonstrates sensitivity and tact in interpersonal relations
- Strong leadership and multitasking skills; proven ability to be flexible in a team-oriented approach with a diverse group of people
- Ability to quickly adopt the diversity, culture, and ethos of the organization.
- Willingness to travel independently to all program areas for gathering learnings from the field

**Base Location:** Dewas, Madhya Pradesh, or Delhi.

**Compensation:** Commensurate with experience, and competitive based on non-profit standards in India.

**We encourage you to apply if you are interested in working with us in our journey to ensure dignity and equality for all.**

**How to Apply:** Interested applicants can submit their cover letter and CV in a single PDF document. The cover letter should address "why you believe you are the right fit for the Migrants Resilience Collaborative" in no more than 300 words.

Please mention "Training and Development Coordinator" in the subject line.

*Jan Sahas gives equal opportunity to all individuals irrespective of their gender, caste, religion, race, sexual orientation etc. The organization promotes opportunities for women and candidates belonging to marginalized backgrounds.*
