Position: KARM Fellowship Program Associate

Location: New Delhi/Gurgaon

About KARM Trust:

A public charitable trust, KARM endeavors to work on some of society's most pressing issues, especially in the areas of education, health and gender equality. Through innovative and carefully designed programs, the KARM Trust aims to broaden the awareness of, and respond to, issues affecting women, aspiring to empower them with opportunities to pursue their dreams and build capability in local communities.

About KARM Fellowship:

The flagship product of the Trust, the KARM Fellowship is a unique and heart-felt initiative committed to deepening the positive impact of university education on women from under-served backgrounds. Open to young women who envision bright futures for themselves and their communities through the furtherance of learning, the KARM Fellowship seeks to establish a cohort of women leaders who will stand for positive change within and outside of their societies.

Position Summary:

The position is that of the Fellowship Program Associate. She will be the first point of contact for the Fellows and will execute the delivery of the first-year English curriculum.

She will be a full-time employee of the KARM Trust, reporting to the Senior Program Manager and working closely with the Program Manager and other members of the KARM team.

Key Responsibilities include, but are not limited to:

Facilitation:

- Delivering the English curriculum to first-year Fellows
- Facilitating team-building exercises for KARM Fellows

Maintain regular contact with the Fellows (Along with PM, SPM):

- Monitor their progress and maintain required data for each fellow
- Ensure mentor/ mentee meetings
- Provide support to Fellows for applications for competitions and opportunities
- Call out exceptions/concerns and enable solutions along with the founders and head

- Accompany Fellows for experiential learning opportunities

Manage the Social Media presence of the Fellowship:

- Create and maintain the social media presence of the Fellowship
- Answer queries that come by way of social media

Logistics:

- Ensure logistics for workshops
- Set-up virtual meetings (likely to be late evenings)
- Set up the Interview process for the Fellows
- Correspondence related to the selection process
- Maintain feedback forms (workshops and mentors)

Coordination:

- Provide secretarial help to the founders and the Fellowship Head
- Maintain and revert to emails related to 'info@karmtrust.org'
- Maintain minutes of Advisory meetings/send out agendas for the same
- Help organize the KF admission process

Research:

- Research Post Graduation Scholarships/relevant courses/Internship opportunities/placement possibilities
- Carry out research on speakers, resources, other programs & grants etc.

Required Qualifications, Skills and Abilities:

- A graduate in any discipline
- Prior exposure to Education and Development sectors
- Ability to organize and handle virtual and physical programs
- High level of written and spoken fluency in English – confident in ability to deliver an English curriculum
- Strong analytical and problem-solving skills
- Ability to collaborate effectively
- Good IT skills along with high comfort with Google tools and Microsoft platforms
- Comfort with Social Media platforms

Desired Qualities:

- A strong alignment with the work and vision of the Trust
- A 'Can-do' attitude
- Deep sense of Empathy

- Suited to working in a small organization setting which is being created and where teamwork and resourcefulness is highly valued
- A flexible and adaptable working attitude

Compensation: Remuneration will be competitive with Indian philanthropy pay-scales and will depend upon the candidates' experience levels.

Apply: Please send your resumes along with a letter of intent to info@karmtrust.org and vinita.johorey@karmtrust.org, by April 15th 2023

Please mention KARM Fellowship Program Associate in the subject line of your email.
