AM, Sales-Unsecured Business Loans

The Company
We are ambitious: There are over 60 million small businesses in India that do not have access to institutional credit and our goal is to turn this on its head. Small businesses are at the heart of the economy and unlocking much needed credit at the right price will help them accelerate growth, in turn creating new jobs, products, services and wealth. Our aim is to leverage cutting edge technologies and data to build the most sophisticated and trusted next generation small business lending platform.
We are funded by leading global venture capitalists who share in our vision to transform small business lending in the Indian sub-continent.

Loan Frame was adjudged the Financial Express' FE India's Best Banks Award in the Fintech Category for the year 2017-2018.
