# Account Manager

- Remote, India

Overview

**Impact the Moment**

When was the last time you experienced the impact of your work? Our Higher Education Sales team thrives on building meaningful relationships with educators and learners. With that comes the unique opportunity to impact lives across the world and experience first-hand the difference your hard work makes.

We are hiring an Account Manager, who is responsible for understanding and developing assigned territory to maximize and grow revenue and profits by selling Higher Education products (print and digital) to existing customers and acquiring new business opportunities.

**Location: Mumbai**

**What you will be doing:**

- Develop an in-depth knowledge of MHE Higher Education products, and utilize this knowledge to successfully sell MHE products and learning solutions to new

and existing customers in assigned territory.
Create and execute a sales plan that meets or exceeds established sales quotas and supports Company revenue and profit targets.

- Meet regularly with existing and new customers to understand their evolving business needs and position product solutions to meet surfaced needs.
- Develop business through B2B and B2C segments.
- Build long-term, productive, and mutually beneficial relationships with existing and new customers.
- Maintain consistent communication and timely follow-up with customers and channel partners and be available and responsive to their real-time needs.
- Complete sales activity reports and presentations in a timely manner
- Creating New Customers for MHE Products and increasing our market share.

**We are looking for someone with:**

- Bachelor's degree required, Master’s degree preferred.
- Minimum of 8-10 years’ experience in sales/go-to-market enablement functions, including demonstration of process leadership
- Preferred 8-10 years of experience in learning, educational publishing/software, education or similar industry
  Tracking on Local changes in government policies or trends in education.
- Digital product pitching and promoting books as a rider rather than upselling digital.
- Ability to perform demo for digital products

**Why work with us?**

There has never been a better time to join McGraw Hill. In our culture of curiosity and innovation, you will be able to own your growth and develop as we do. As an education innovation company, we're proud to play our part by inspiring learners around the world.
