You will be the front of the company and will have the dedication to create and apply an effective sales and development strategy. The goal is to drive sustainable financial growth by boosting sales and forging strong relationships with clients.

Duties/Responsibilities:

- Generating business leads and following up on sales opportunities in domestic & international markets.
- Plan, implement, track, and improve strategies for new business.
- Finding and developing new markets and improving sales by developing quotes and proposals for clients, should be target-oriented.
- Contacting potential clients to establish reports and arrange meetings.
- Ability to lead end-to-end sales cycle (from lead generation to closure)
- Ability to connect & interact with clients.
- Build a relationship with the prospect and focus on value selling.
- Identify opportunities by researching targeted companies and contacts.
- Adaptable and innovative with a varied experience in Institution sales, retail sales and marketing.
- Skilled in managing projects from concept to completion, a proven record of building relationships, designing marketing strategies, and leading team to success.
- Responsible for in-depth analysis of sales data and recommending opportunities.
- Should be able to Negotiate with customers and clients on behalf of firm.
- Responsible for developing and sustaining long-term relationship with key trade partners.

Required Skills/Abilities:

- 4 - 6 years of experience in the FMCG Sector
- Ability to handle multiple projects simultaneously.
- Ability to work with tight deadlines.
- Ability to work under minimal supervision.
- Proficiency with MS Office and Google for Work

Education and Experience:

- Bachelor's degree in business administration, (Business Development / Marketing) or related field required.
- Master's degree in business administration, (Business Development / Marketing) or related field required.
