**Role: Assistant Manager – E Commerce**

We are looking for an E-Commerce Assistant Manager for our E-Commerce services division. The position requires great interpersonal skills, robust analytical abilities, a creative approach to problem-solving coupled with a data-driven mindset, and a flair for growth for the client's account as well as for the company. An ideal candidate is an e-Commerce enthusiast with knowledge of e-commerce portals. This is a client-facing role and hence strong communication skills and the ability to work along and lead a team are a must.

**Experience**: Freshers as well as Experienced candidates can apply.

**Location**: NCR (Hybrid Working, currently work from home)

**Roles and Responsibilities**

1. Helping the client brands grow their online business on various e-commerce marketplaces like Amazon, Flipkart, Myntra, Blinkit, Big Basket, Milk Basket, etc.
2. Understanding the client's business needs and acting as a liaison between the client and departments within the company to convey information, ensure understanding and make certain everything gets done in an accurate, timely manner.
3. Analysing the data and contributing towards continuous improvement of the Commerce strategy for the Brand's business growth.
4. Keeping up on trends, changes, and competitor actions that might affect the client's performance on e-commerce platforms.
5. Making the client aware of other services and actions that may lead to greater success.
6. Monitoring the client's budget, explaining costs, and negotiating new terms if necessary.
7. Providing timely progress reports to clients and upper management.
8. Contributing to the development of various eCommerce service/solution offerings.
9. Monitoring promotional activities at various Marketplaces.
10. Analysing daily/monthly/Quarterly dashboards/reports of progress, status, metrics, and KPIs.
11. Good understanding of Amazon Seller Central/ Vendor Central/Advertising/ Account Management / Policies etc.

**Required Experience, Skills, and Qualifications:**

1. Basic Graduation with excellent educational background.
2. MBA with Marketing with top CGPA.
3. Hands-on Experience of Marketplaces such as Amazon, Flipkart, Myntra, Big Basket, Milk Basket, etc
4. Good Excel knowledge is a must.
5. Mathematical ability, to work with figures and budgets without compromising on accuracy.
6. Ability to manage multiple clients/projects at the same time.
