About Offiga

At Offiga.com, we power tech-driven enterprise gifting for the world's leading companies! We make it easy to set up and scale your gifting program for employees and clients with first-in-class offerings such as gifting automation, gifting dashboard and employee lifecycle gifting. Since our launch in 2021, we have powered employee and client gifting programs for over 100 of the world's leading organizations including Bain & Co., Philips, Gartner, EXL, S&P Global, Times of India and many more!

Our gifts help transform lives, enrich communities, and preserve the environment. We use sustainable packaging and are 100% plastic neutral (by working with a CPCB-approved recycler). We support women-led, community-owned and environmentally conscious businesses.

If you're willing to dive deep into the world of enterprise sales, learn from actual client interactions, and understand the basics of building a successful business from scratch, Offiga is the perfect place for you!
