We are currently working with some of the premium corporates, Educational Institutions and exploring Export orders in UK & Europe for retail and Interior brands that are looking for a Sustainable alternative for all Interior Applications.

We are looking to scale to all Tier-1 cities this year and tap into all Premium Commercial architects, PMCs and Developers.

We currently have 3 products in our portfolio: Our first proprietary product is AgriBioPanels, a 100% green alternative to plasterboard, FCB, Engineered wood for Partitions, ceilings, Acoustics & Furniture.

We are launching 2 more products this year- Magra, a 100% biobased acoustic insulation and a Honeycomb framing to replace plastic based PET and steel framing, respectively- each being carbon intensive materials from the building's material value chain.

Business Development Associate- Strawcture Eco

We are looking for a competitive Business development Associate to support the Founder & Channel Partner for generating a new lead pipeline of Architects, OEMs, Interior Fitout companies, follow up with the existing pipeline and filter qualifying prospects, offer customer service and technical support until a successful project closure.

Job Description:

- **Location:** Delhi, Bengaluru, Chennai
- **Openings:** 1
- **Experience:** Freshers, 2- 3 yrs
- **Joining:** Immediate from June

Where would you fit in the organisation?

Key Responsibilities

- Generating new sales prospects by cold calling, following up with architects/ designers in our database through exhibition & conferences and in-person meetings.
- To follow up with the existing pipeline of leads until they close and to maintain relationships with existing clients.
- Creating informative presentations, presenting, and delivering information to potential clients at client meetings, industry exhibits, trade shows, and conferences.
- Creating and maintaining a list/database of prospect clients, maintaining a database (Sales force, CRM, Excel, etc.) of prospective client information.

Skills/ Experience

- We are looking for an ambitious, multi-tasking, and self- motivated individual who has done project Sales before for other building materials, preferably Interior application materials.
- Someone who has an experience of concept selling or selling a premium product line in a brand vertical.
- Exceptional communication skills- both verbal and written.

- Possesses an outgoing, friendly and an energetic demeanour.
- Demonstrated and proven sales results.

What's in it for you

- Opportunity to join a fast growing, one of its kind startup.
- An enthusiastic team and a dynamic working environment that provides you with opportunities to learn and grow!
- Competitive pay and perks.

CTC

A. Fixed Pay: INR 40,000/ Monthly
