Role Description: Manager, Outreach & Engagement
Reports to: Knowledge Lead
Position: Full-time
Location: Mumbai

About Sahayog Foundation:
Sahayog Foundation builds non-profit capability to partner and facilitate collaboration to amplify impact. By working with People and Partners, Sahayog aggregates learning while improving organisational and programmatic effectiveness for scalable and sustainable development.

In three years, we have successfully initiated nine partnership projects by facilitating non-profit partnerships to increase the social footprint. We have worked on five different multi-stakeholder collaborative projects in various geographies. We have also created several ecosystem awareness & knowledge initiatives to build capability and readiness for partnerships.

Role: The Outreach and Engagement Manager, leads communications and stakeholder engagement, including the delivery of high-quality knowledge & information for partnerships and collaboration and develop approaches to engage, collaborate, and innovate that create improved value for the ecosystem and its actors. The Manager will be responsible to build, maintaining and strengthening these key relationships thus ensuring a steady growth of the organization.

Key Responsibilities:
Managerial:

- Manage external & internal communications, collaborations and conflicts
- Ensure timelines are met and fulfilled
- Adept with the use of collaborative technology platforms
- Champion Sahayog and its philosophy of collaboration with all stakeholders

Outreach

- Develop an outreach engagement strategy
- Plan end-to-end tactical outreach engagement initiatives
- Build engagement platforms for multi-stakeholders
- Facilitate and organise events – internal and external

Communication

- Create internal and external content, collaterals, newsletter, reports and publications
- Have a sound design aesthetic and be able to use Canva
- Manage all social media handles for Sahayog Foundation (Facebook, Twitter, LinkedIn)
- Build strong, long-term and engaging relationships with various stakeholders that exemplifies Sahayog's core values
- Conduct thorough sector research to build an internal knowledge base

Desired Profile

- Master's in social work/ Development Studies/ Social Entrepreneurships/ Demography or comparable degree in Communications
- Five plus years' experience in a communications role in a non-profit entity
