Role Description: Associate, Communications

Reports to: Communications Manager

Position: Full-time

Location: Mumbai

About Sahayog Foundation:

Sahayog Foundation builds non-profit capability to partner and facilitate collaboration to amplify impact. By working with People and Partners, Sahayog aggregates learning while improving organisational and programmatic effectiveness for scalable and sustainable development.

In three years, we have successfully initiated nine partnership projects by facilitating non-profit partnerships to increase the social footprint. We have worked on five different multi-stakeholder collaborative projects in various geographies. We have also created several ecosystem awareness & knowledge initiatives to build capability and readiness for partnerships.

We are looking for an associate who is eager to learn, self-motivated and an enthusiastic team player with a passion to succeed. You should enjoy a fast-paced work environment and be confident in the managing and execution of projects at a time. More specifically, you bring:

- A bachelor's degree in communications is required with interest in the development sector
- Active knowledge and understanding of branding and communications
- Adept with the use of collaborative technology platforms and MS Office is an ask
- A strong verbal and written communication skillset

Specific Responsibilities:

1. Ability to undertake basic research and create content for communication material
2. Have a sound design aesthetic and be able to use Canva to create collateral that tell a compelling story
3. Manage all social media handles for Sahayog Foundation
4. Support in nurturing relationships and coordination with stakeholders
5. Coordinate round tables and other engagement initiatives
6. Documentation of all knowledge focused activities, events and meetings.
