Job Opening - Campaign Strategist

Job Brief

We are looking for a **Campaign Strategy Team** to Plan, Conceptualize and Strategize high impact end-to-end on-ground campaigns. Manage the end-to-end planning & execution of campaign strategies, as well as coordination with campaign teams and stakeholder engagements.

Associates, Senior Associates, and Managers are part of project teams in the campaigns and work with the organization team and client team members to develop political and campaign strategies for the client.

What We Are Looking for In You?

- Experience in drafting detailed work plans to handhold implementation in coordination with internal and external stakeholders
- Extensive knowledge of detecting the political pulse of various demographic, geographic, and legislative entities through a series of rigorous primary or secondary research initiatives
- Conduct research and communicate the findings to aid in the development of ground-level initiatives.
- While this is an intriguing proposition with significant exposure, it also raises expectations for confidentiality, exemplary client management skills, and, most importantly, performance.
- The candidate should possess excellent problem-solving, team leadership, and thought leadership skills, and should be able to thrive in a fast-paced, demanding work environment.

Required Qualifications

- Graduate / Post Graduate from Tier 1 institutes
- Prior experience in creating/designing political campaigns for implementation on the ground that carry out large-scale outreach
- Possess superior problem-solving and analytical abilities, as well as the ability to propose practical solutions to problems. Contribute ideas and strategies towards the roll-out of campaign initiatives
- Ability to pay attention to minute details that can have a long-lasting high impact
- Have a strong bias for action and an ability to deal with ambiguity
- Excellent communication skills to coordinate with various internal teams, including digital media, data analytics, strategic research, and operations, to achieve campaign aims.

Preferred Qualifications

- Previous work experience in any political consulting domain will be a deal breaker
- Context and understanding of Andhra Pradesh's culture, geography, and political landscape will be a plus.
- Language proficiency in Telugu is must

Who are we?

We are an elite team of India's most innovative professionals that help politicians and political parties solve their short and long-term campaign challenges with data, research and design-based thinking. Our past work includes building wildly successful organizations, driving large scale campaigns in the remotest parts of India, and solving highly challenging problems. We are currently one of India's fastest-growing startups.

Location: Hyderabad
